Repertory of the Comedie Humaine Anatole Cerfberr, 2015-07-21 Excerpt from Repertory of the Comedie Humaine Work crowned by the French Academy is a significant line borne by the title page of the original edition of Messieurs Cerfberr and Christophe s monumental work The motto indicates the high esteem in which the French authorities hold this

very necessary adjunct to the great Balzacian structure And even without this word of approval the intelligent reader needs but a glance within the pages of the Repertory of the Com die Humaine to convince him at once of its utility In brief the purpose of the Repertory is to give in alphabetical sequence the names of all the characters forming this Balzacian society together with the salient points in their lives It is of course well known that Balzac made his characters appear again and again thus creating out of his distinct novels a miniature world To cite a case in point Rastignac who comes as near being the hero of the Comedie as any other single character makes his first appearance in Father Goriot as a student of law then appearing and disappearing fitfully in a score of the principal novels he is finally made a minister and peer of France Without the aid of the Repertory it would be difficult for any save a reader of the entire Comedie to trace out his career But here it is arranged in temporal sequence thus giving us a concrete view of the man and his relation to this society About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
