Answers to Your Bible Version Questions David W. Daniels, 2011 Did God preserve His words Or does my Bible contain errors If you believe God preserved His words where can you find them History shows that there are two streams of Bible texts and they are not the same Obviously both of them cannot be correct Respected linguist David Daniels proves beyond a doubt how we can know the King James Bible is God's preserved words in English He answers many of the difficult questions the so called experts throw against the King James Whether you want to defend the King James Bible or learn which Bible you can trust you will find the answers here *We Believe* Rulon T. Burton, 1994 What do Mormons believe For the first time a comprehensive reference work attempts to answer this question in an accessible and authoritative manner Almost nine hundred doctrines and principles of the Church have been uniquely set forth in this one volume work *We Believe* presents single sentence summaries of Mormon doctrine that crystallize Mormon beliefs in a convenient user friendly format much like the Articles of Faith but instead of 13 there are 898 Arranged under 94 topics ranging from Adversity to Zion and cross referenced these single sentence doctrinal statements make it possible to grasp specific Mormon beliefs in relation to one another and to the whole of Mormon doctrine Passages taken from official Church sources that establish Church doctrines accompany each single sentence doctrinal statement making *We Believe* as reliable as it is handy *We Believe* quotes only prophets and apostles One need not rely on one author's viewpoint alone or upon second hand sources *We Believe* provides the actual words of the ancient prophets of scripture and of the modern prophets and apostles that authoritatively establish each doctrine of the Church Jacket **Pre-Adamite World Revealed in God's Word** James D.
