collection of short stories from one of the greatest minds of the twentieth century When a man can't bear the company of others when he runs not just from society but from something evil within himself he'll find refuge only in the dark deep underground in the horrifying void of an uncharted cave In the wilds of Mexico a veteran spelunker hears rumors of a cave that could take him deeper than he's ever gone before The locals whisper old Toltec legends of the devils that inhabit the darkness spirits that have blighted the countryside for miles around but the man doesn't listen He'll find things within that cave that mankind isn't meant to see And even if he manages to get out alive he'll never escape the darkness Drawing on his unique background as an intellectual and expert in the supernatural author H F Heard echoes the pioneering horror of H P Lovecraft and the Victorian science fiction of H G Wells In this weird world the greatest threat to man is man himself The Lost Cavern is one of Heard's best known stories and it remains just as eerie today as when it debuted Along with the other three stories that make up this volume The Cup The Thaw Plan and The Chapel of Ease it confirms Heard's deserved status

as one of the early masters of weird fiction      The Black Fox H. F. Heard, 2016-07-05 A demon lurks at the heart of the Church in this classic fantasy of black magic set in Victorian England Canon Throcton is a brilliant scholar but the men of the Church can't bring themselves to trust him His devoted study of Hebrew and Arabic has drawn him far from their intellectual center and his interest in the obscure writings of the Middle East verges on heresy Canon knows his brothers in the cathedral don't take him seriously but he doesn't care A great and terrible power hides within him and he'll unleash it even if it destroys the Church the town and everyone he holds dear When a junior colleague is elevated above him Canon reaches into his darkest volume of forbidden lore and tries his hand at black magic It works better than he ever could have dreamed His enemy is destroyed and Canon feels the tug of unimaginable power He's taken the first step along the road to damnation and soon he'll burn The Black Fox is English gothic at its best a story of weird fiction steeped in author H F Heard's unparalleled knowledge of world religion Never before had black magic been written about with such deep understanding and never since has it been more terrifying

*Sherlock Holmes - The Hero With a Thousand Faces: Volume 1* David MacGregor,2022-06-07 *Sherlock Holmes The Hero With a Thousand Faces* ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle's famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn't trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world's first consulting detective an amateur reasoner of some repute by the name of Sherlock Holmes who shot to fame in the pages of *The Strand Magazine* in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play *Sherlock Holmes* creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late

1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by storm in the late 1920s there were a numbers of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone [Sherlock Holmes Mystery Magazine #30](#) Hal Charles,Jeffrey A. *The MX Book of New Sherlock Holmes Stories - Part XIV* David Marcum, 2019-07-08 In 1881 a weary doctor wounded while serving in the military in Afghanistan returned to London only to be introduced to a most unusual young man who was already making a name for himself as the world's first consulting detective At that time the young man and his unique colleague were only just in their late twenties unaware of their legendary futures but they would go on to become two of the most famous and recognizable figures in the world Sherlock Holmes and Dr John H Watson In 1887 Holmes and Watson's first investigation as a team A Study in Scarlet was published The Sign of Four followed in 1890 and then in 1891 the world was electrified with the publication of The Adventures of Sherlock Holmes in the newly formed Strand Magazine and the world would never be the same Through the remainder of the nineteenth Century and all the way

through the twentieth Holmes and Watson's fame would grow. We're now well into the twenty-first century yet the much-loved duo are just as popular today if not even more so. In 2015 *The MX Book of New Sherlock Holmes Stories* burst upon the scene featuring stories set within the canon's correct time period written by the very best of today's Sherlockian authors from around the world. That first anthology spread over three huge volumes contained sixty-three stories and was the largest collection of its kind assembled at the time. Response was immediately and overwhelmingly positive and soon there were calls from fans for additional collections. Over 150 contributors so far have joined together from around the world to produce well over three hundred new adventures to honour Sherlock Holmes, the man described by Watson as the best and wisest whom I have ever known. We now proudly present Parts XIII, XIV and XV, three volumes which break the record of the initial triple offering with an incredible sixty-six new adventures featuring the eternal duo, Watson and Holmes. Subramanian, Roger Riccard, Marcia Wilson, Tracy J. Revels, Arthur Hall, GC Rosenquist, Edwin A. Enstrom, Jayantika Ganguly, C. H. Here though the world explodes, these two survive. And it is always eighteen ninety-five. So wrote Sherlockian Vincent Starrett in his 1942 poem 221b, soon after the United States entered World War II. Even as those years brought terrible challenges, so too has 2020 been a year of great testing for so many of us as a global pandemic rages and good people are called to stand against evil. For Sherlockians, comfort can be found in climbing those seventeen stairs to the Baker Street sitting room where it is always eighteen ninety-five or a few decades on either side of it. In 2015 the first three volumes of *The MX Book of New Sherlock Holmes Stories* arrived containing over 60 stories in the true traditional Canonical manner. That was the largest collection of new Holmes stories ever assembled and originally planned to be a one-time event. But readers wanted more and the contributors had more stories from Watson's Tin Dispatch Box so the fun continued. Now with the release of Parts XXV, XXVI and XXVII the series has grown to nearly 600 new Holmes adventures by almost 200 contributors from around the world. Since the beginning all contributor royalties go to the Stepping Stones School for special needs children at Undershaw, one of Sir Arthur Conan Doyle's former homes and to date the project has raised over 75,000 for the school. As has become the tradition, this new collection features Holmes and Watson carrying out their masterful investigations from the early days of their friendship in Baker Street to the post-war years during Holmes's retirement.
