Pennsylvania State Library

Report Of The Gettysburg Memorial Commission Ohio Monuments:

Report of the Gettysburg Memorial Commission Ohio. Gettysburg Memorial Commission,1998-06 Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1889 **Report of the Pennsylvania Historical Commission** Pennsylvania Historical Commission,1915 The Union War Gary W. Gallagher,2012-09-03 Even one hundred and fifty years later we are haunted by the Civil War by its division its bloodshed and perhaps above all by its origins Today many believe that the war was fought over slavery This answer satisfies our contemporary sense of justice but as Gary Gallagher shows in this brilliant revisionist history it is an anachronistic judgment In a searing analysis of the Civil War North as revealed in contemporary letters diaries and documents Gallagher demonstrates that what motivated the North to go to war and persist in an increasingly bloody effort was primarily preservation of the Union Devotion to the Union bonded nineteenth century Americans in the North and West against a slaveholding aristocracy in the South and a Europe that seemed destined for oligarchy Northerners believed they were fighting to save the republic and with it the world s best hope for democracy Once we understand the centrality of union we can in turn appreciate the force that made northern victory possible the citizen soldier Gallagher reveals how the massive volunteer army of the North fought to confirm American exceptionalism by salvaging the Union Contemporary concerns have distorted the reality of nineteenth century Americans who embraced emancipation primarily to punish secessionists and remove slavery as a future threat to union goals that emerged in the process of war As Gallagher recovers why and how the Civil War was fought we gain a more honest understanding of why and how it was won Special Bibliography ,1982 The Era of the Civil War--1820-1876 Louise A. Arnold-Friend,US Army Military History Institute,1982 *Abstract of General Orders and Proceedings of the ... Annual Encampment, Department of New York, Grand Army of the Republic* Grand Army of the Republic. Department of New York,1889 *The Monumental News* ,1896 **Report of the State Librarian and Director of Museum of Pennsylvania** Pennsylvania State Library and Museum (Harrisburg),1890 **Report of the Historical Commission of Pennsylvania** Pennsylvania Historical Commission,1915 *Report of the State Librarian* Pennsylvania State Library,1890 Includes catalogs of accessions and special bibliographical supplements **The Enduring Civil War** Gary W. Gallagher,2020-09-02 In the seventy three succinct essays gathered in *The Enduring Civil War* celebrated historian Gary W. Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans The array of topics Gallagher addresses is

striking He examines notable books and authors both Union and Confederate military and civilian famous and lesser known He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points Ulysses S Grant as a general who profligately wasted Union manpower the Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation and Robert E Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology history memory and the new revisionist literature The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them

Pickett's Charge at Gettysburg James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War s Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge Pickett s Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg s third day of battle Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps The two text

authors are battlefield guides and the detail provided is immense strongly recommended Civil War News **Report of the State Treasurer on the Finances** Pennsylvania. Treasury,1917 **Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate and House of Representatives of Pennsylvania** ,1891 Official Documents, Comprising the Department and Other Reports Pennsylvania,1891 **A Field Guide to Gettysburg** Carol Reardon,Tom Vossler,2013-07-01 In this lively guide to the Gettysburg battlefield Carol Reardon and Tom Vossler invite readers to participate in a tour of this hallowed ground Ideal for carrying on trips through the park as well as for the armchair historian this book includes comprehensive maps and deft descriptions of the action that situate visitors in time and place Crisp narratives introduce key figures and events and eye opening vignettes help readers more fully comprehend the import of what happened and why A wide variety of contemporary and postwar source materials offer colorful stories and present interesting interpretations that have shaped or reshaped our understanding of Gettysburg today Each stop addresses the following What happened here Who fought here Who commanded here Who fell here Who lived here How did participants remember this event Report of the State Librarian to the Legislature of Pennsylvania ,1890 *Report of the Commission of Fine Arts* United States. Commission of Fine Arts,1911 **Report of the Commission of Fine Arts** ,1917
