Reports of International Arbitral Awards, Vol. XXIV, of Justice. Registry, 1948 **Reports of International Arbitral Awards** International Court of Justice. Registry, 1948 **Finnish Yearbook of International Law, Volume 24, 2014** Tuomas Tiittala, 2018-01-11 The Finnish Yearbook of International Law aspires to honour and strengthen the Finnish tradition in international legal scholarship Open to contributions from all over the world and from all persuasions the Finnish Yearbook stands out as a forum for theoretically informed high quality publications on all aspects of public international law including the international relations law of the European Union The Finnish Yearbook publishes in depth articles and shorter notes commentaries on current developments book reviews and relevant overviews of Finland s state practice While firmly grounded in traditional legal scholarship it is open for new approaches to international law and for work of an interdisciplinary nature The Finnish Yearbook is published for the Finnish Society of International Law by Hart Publishing Earlier volumes may be obtained from Martinus Nijhoff an imprint of Brill Publishers Further information may be found at [www fsil fi fybil](http://www.fsil.fi/fybil) *International Law Reports* E. Lauterpacht, C. J. Greenwood, A. G. Oppenheimer, 1997-12-04 A unique and essential work of reference for the international lawyer **Asian Yearbook of International Law, Volume 22 (2016)** Seokwoo Lee, Hee Eun Lee, 2019-09-02 Launched in 1991 the Asian Yearbook of International Law is a major internationally refereed yearbook dedicated to international legal issues as seen primarily from an Asian perspective It is published under the auspices of the Foundation for the Development of International Law in Asia DILA in collaboration with DILA Korea the Secretariat of DILA in South Korea When it was launched the Yearbook was the first publication of its kind edited by a team of leading international law scholars from across Asia It provides a forum for the publication of articles in the field of international law and other Asian international legal topics The objectives of the Yearbook are two fold First to promote research study and writing in the field of international law in Asia and second to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues Each volume of the Yearbook contains articles and shorter notes a section on Asian state practice an overview of the Asian states participation in multilateral treaties and succinct analysis of recent international legal developments in Asia a bibliography that provides information on books articles notes and other materials dealing with international law in Asia as well as book reviews This publication is important for anyone working on international law and in Asian studies [The International Legal Personality of the Individual](#) Astrid Kjeldgaard-Pedersen, 2018-08-08 This is the first monograph to scrutinize the relationship between the concept of international legal personality as a theoretical construct and the position of the ultimate subject the individual as a matter of positive international law By testing the four main theoretical conceptions of international legal personality against historical and existing norms of positive international law that regulate the conduct of individuals the book argues that the common narrative in contemporary scholarship about the development of the role of the individual in the

international legal system is flawed Contrary to conventional wisdom international law did not apply to states alone until World War II only to transform during the second half of the 20th century so as to include individuals as its subjects Rather the answer to the question of individual rights and obligations under international law is and always was strictly empirical It follows of course that the entities governed by a particular norm tell us nothing about the legal system to which that norm belongs Instead the distinction between international law and national law turns exclusively on whether the source of the norm in question is international or national in kind Against the background of these insights the book shows how present day international lawyers continue to allow an idea which was never more than a scholarly invention of the 19th century to influence the interpretation and application of international law This state of affairs has significant real world ramifications as international legal rights and obligations of individuals and other non state entities are frequently applied more restrictively than interpretation without presumptions regarding personality would merit Territorial Disputes in the Americas Jorge Emilio Núñez, 2025-08-20 Territorial disputes are intricate shaped by historical legal geopolitical social cultural and other factors This book uses a multidimensional approach to assess real case scenarios across the Americas individually and collectively The work evaluates a selected sample of these disputes tracing origins to colonial histories unclear border demarcations or uncharted lands and challenges enforcing legal boundaries It then explores critical thematic areas illustrated with compelling examples disputes entangled with non American agents like European nations colonialism neo colonial interference and pervasive colonial mindsets ongoing regional differences between neighboring states and the intricate sometimes conflicting roles of indigenous communities and implanted populations asserting self determination often diverging from states interests The work reveals sovereignty and disputes intertwine encompassing plural agents roles contexts realms and modes of existence beyond traditional views Cases like the Falkland Malvinas Islands Mexico US border Amazon region and Antarctica highlight how regional organizations and alliances could enhance peacebuilding strengthen American states against external powers and challenge traditional unidimensional scholarly approaches with a nuanced comprehensive perspective The book will appeal to researchers academics and policymakers in the areas of Public International Law Political Science and International Relations Legal Philosophy Political Philosophy and Jurisprudence

Terrorism and International Law Maurice Flory, Rosalyn Higgins, 2002-05-03 The proliferation in terrorist activity has provoked an increase in the body of law both at national and international level which has sought to counter and prevent it The bodies involved in this process range from the UN Security Council to government legislatures This book is the first to address in one volume the wide variety of responses to terrorism as they exist in both international and domestic contexts It also represents the first ever comprehensive collection of documents referring to terrorism which are to be found in the laws of the UK and France as well as in international law Terrorism and International Law comprises contributions by thirteen well known authorities in the areas of international French and UK law and is divided into four main sections international

cooperation against terrorism the French and British responses to terrorism the limits of state action and a documentary supplement The contributors have sought to show how international and domestic law can be used together to combat the multi faceted problems which terrorism raises The issue of human rights is also discussed with particular reference to the jurisprudence of the European Commission and Court of Human Rights The fourth documentary section of the book provides coverage of international treaties UN resolutions UK and French legislation case law and official statements relating to terrorism This book provides an invaluable source of commentary and reference material in the area of terrorism and international and domestic law which will be useful for practitioners diplomats students and teachers State Responsibility

in International Law René Provost,2017-03-02 In the wake of the adoption by the International Law Commission of a complete set of articles on state responsibility in international law in 2001 this collection assembles a number of essays tracing key debates which have marked the evolution of this field over the last fifty years These include explorations of the general theory of state responsibility link between primary and secondary rules the place of due diligence the link between liability and wrongfulness the consequences of an internationally wrongful act nature of remedies suitability of countermeasures third states and the shift from bilateralism to community interests in the law of state responsibility the debate over criminalizing state responsibility and the continuing relevance of the law of injuries to aliens The collection also contains a series of essays offering critical perspectives on state responsibility including feminist and developing world perspectives It is completed by an extensive and up to date bibliography **The International Committee of the Red**

Cross and the Protection of War Victims François Bugnion,2003 *An Outline of International Law* Dominique De Stoop,2019-04-01 Written by Dr Dominique De Stoop former Senior Assistant Secretary of the International and General Legal Branch of the Australian Ministry of Foreign Affairs and Trade An Outline of International Law offers a clear comprehensive explanation of the multifaceted realm of international law Dr De Stoop provides background information on the sources of international laws their scope and their effectiveness Each chapter covers a specific area of law including the following Treaty negotiations State sovereignty Human rights and refugee rights Criminal offences and terrorism The law of the sea and international shipping law Environmental law and conservation International and domestic armed conflicts Disarmament and arms control Economic and trade law A valuable resource for law students civil servants and members of intergovernmental organizations An Outline of International Law is your inclusive guide to the international agreements customary international laws and judicial decisions governing the global community *The International Law Commission's Draft Articles on State Responsibility* Shabtai Rosenne,2025-01-20 International Investment Law Tarcisio Gazzini,Eric De Brabandere,2012-08-22 Transnational investment involves a variety of actors States public and private legal entities and natural persons whose relationships are governed by rules and legal instruments belonging to different legal systems This book provides a systematic study of the sources of rights and obligations in the field of transnational investment and their

coordination and interaction It focuses primarily on the network of over 3 000 Bilateral Investment Treaties international investment contracts customary international law the main multilateral treaties national legislation international case law and general principles of law The book firmly based on State practice arbitral awards and national decisions is indispensable to fully appraise the nature and content of the claims of private investors as well as to identify the law applicable in investment arbitration

Public Policy Exception Under The New York Convention Anton G. Maurer,2013-06-01 The Public Policy Exception under the New York Convention History Interpretation and Application describes in detail the drafting history of the public policy exception of Art V 2 b of the New York Convention in order to determine the purpose the signatory states wanted to achieve with this clause The book also explains how this clause is applied by the courts in many economically relevant states and especially in Brazil Russia India and China In September 2012 the Indian Supreme Court in a case entitled Bharat Aluminium Co v Kaiser Aluminium Technical Service Inc announced a long expected decision practically reversing the judgments of Bhatia International and Venture Global and holding that Indian Courts are not permitted to set aside foreign arbitral awards In this Revised Edition the author explains and explores the reasoning of the Indian Supreme Court in this landmark decision and discusses the practical implications and consequences Public Policy Exception under the New York Convention History Interpretation and Application is of importance for all internationally active companies as well as for lawyers and courts The book aids lawyers and companies in drafting arbitration clauses and in enforcing foreign arbitral awards Often judgments will not be enforced abroad this is especially true with respect to an enforcement of foreign judgments in the BRIC countries Therefore internationally active companies and their advisors need guidance if and where foreign arbitral awards in their favor will be enforced abroad

The Practice of Arbitration Patrick Wautelet,Thalia Kruger,Govert Coppens,2012-09-14 This book offers a series of commentaries on noteworthy arbitral awards and court decisions on arbitration All contributions focus on the practice of arbitration Influential authors with proven arbitration experience share their insights on celebrated and less well known cases drawn from various countries various arbitration institutions and including both commercial and investment arbitration This collection of essays celebrates the work and scholarship of Hans van Houtte who has been a professor of international commercial arbitration at the University of Leuven for more than 20 years In addition to his widely praised contribution to the theory of arbitration Professor Van Houtte has built a long career in the practice of arbitration presiding over a vast array of arbitral tribunals and holding appointments to international tribunals most recently as president of the Iran US Claims Tribunal Hans van Houtte has always been concerned with the practical usefulness of scholarly writings and this book respects this approach This volume will prove essential for all arbitration practitioners and will also be of great interest also to academics and research students with an interest in international arbitration This title is included in Bloomsbury Professional s International Arbitration online service
