Representative Speeches Of General Of The Army Douglas MacArthur

John Howard Hinton

Representative Speeches Of General Of The Army Dou:

General MacArthur Speeches and Reports 1908-1964 Edward T. Imparato, 2000 The two year search for General Douglas MacArthur's speeches and reports was truly a labor of love My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories biographies histories military magazines such as the Army and Air Force Journals unit histories commercial magazines and newspapers Magazines included such publications as National Geographic Life Magazine and many esoteric less circulated literature such as Military Magazine Retired Officers Magazine Air Force Magazine and so many others We received guidance and assistance from such sources as the U S Military Academy the Engineering School at Ft Leavenworth the Command and General Staff School at Leavenworth the Army War College the MacArthur Archives Director James Zobel the Library of Congress the War Department the sources seemed endless We do believe we were able to capture all the major public speeches and reports covering MacArthur's truly productive years from 1908 through 1964 Contains more than 125 speeches reports It will be interesting to note MacArthur established his personality early in his military career and never veered from this His admonition from his Mother when MacArthur was a student at West Point was never cheat never lie never tattle Adhering to this edict MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching Further he was determined never to refuse to carryout the order of a senior officer never be insubordinate to constituted authority [The Quote Verifier](#) Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form The Quote Verifier also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases The Quote Verifier is not only a fascinating piece of literary sleuthing but also a great read **USS Missouri**, 1998 A short history and many stories from veterans including photos

Self-government in Louisiana. Speech of Hon. John A. Logan, of Illinois, in the Senate of the United States, January 13 and 14, 1875 John Alexander Logan,2024-03-16 Reprint of the original first published in 1875 **Speech of Hon. John A.**

Logan of Illinois, in the Senate of the United States Anonymous,2024-01-30 Reprint of the original first published in 1875 **Army and Navy Register** ,1928 *The Warsaw Pact, 1985-1991- Disintegration and Dissolution* Matej

Bily,2022-12-30 This book analyzes the last phase of the Warsaw Pact based on unusually large scale archival research conducted in many countries Focusing on the changes in the organization s functioning after Mikhail Gorbachev came to power in the Soviet Union the author examines the role played by the Warsaw Pact in the final stages of the Cold War as well as exploring the deepening conflicts between individual member states which resulted from the changing international situation and Gorbachev s initiatives to reform the East European state socialist dictatorships The book argues that the causes of the rapid dissolution of the Warsaw Pact in the early 1990s were due to many complicated factors not simply the collapse of communist power in Eastern Europe factors such as the loss from early in the second half of the 1980s of important internal ties and the failure to create new ties disputes between individual member states and the questioning of the overall legitimacy of the organization which was indispensable for its effective functioning The book also highlights the impact of external pressures and developments on the international scene Overall the book reveals how an apparently robust and solid multilateral organization can so quickly and unexpectedly disappear **The United States Army and Navy**

Journal and Gazette of the Regular and Volunteer Forces ,1890 **Congressional Record** United States.

Congress,2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Annals of the Congress of the United States**

United States. Congress,1853 **The Lancet** ,1896 **The Debates and Proceedings in the Congress of the United States** United States. Congress,Joseph Gales,1853 **The History and Topography of the United States of North**

America John Howard Hinton,1846 *Niles' Weekly Register* ,1815 Containing political historical geographical scientific statistical economical and biographical documents essays and facts together with notices of the arts and manufactures and a record of the events of the times **Journal of the House of Representatives of the State of Indiana at Their ...**

Session Indiana. General Assembly. House of Representatives,1997 **The history and topography of the United States of North America, brought down from the earliest period** John Howard Hinton,1846 *The London Chronicle* ,1792
