## **Representing Women Myths Of Feminity In The Popular Media:**

Representing Women Myra Macdonald, 2009-09-01 This book examines how women are discussed and depicted visually in popular media Stressing the importance of a historical approach the text includes a detailed study of continuities and changes in dominant myths of femininity especially in the transition from the modern to the postmodern period and explores the influences of feminism and consumerism

**Sex, Feminism and Lesbian Desire in Women's Magazines** Kate Farhall, 2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality In charting changes in the sex and relationship content of women's magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance Where substantive changes can be identified they rise and fall in tandem with feminism By demonstrating this empirical relationship between cultural products and feminist organising the book validates an assumption that has rarely been tested that a feminist social milieu improves cultural narratives about sexuality for women Sex Feminism and Lesbian Desire builds on ground breaking feminist texts such as Susan Faludi's Backlash to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women's magazines By charting the representation of sex and relationships in two women's magazines Cosmopolitan and Cleo since the 1970s through an analysis of over 6 500 magazine pages and 1 500 articles this timely work interrogates and ultimately complicates the apparent linear progression of feminism This book is suitable for researchers and students in women's and gender studies queer studies LGBT studies media studies cultural studies and sociology

talk shows on both radio and television provided a forum for popular debate and acted as catalysts for change in Irish life It analyses and discusses the impact on Irish society of such controversies as Church denunciations of the Late Late Show the Brian Trevisky affair the development of the Irish Women's Liberation Movement the Ann Lovett letters and the seminal interviews with Annie Murphy Pdraig Flynn and Terry Keane In the final section of the book the modern history of the Late Late Show the development of Irish TV and radio talk shows in the post Byrne era and the contrasting nature of TV talk shows in the UK and US are explored The Gaybo Revolution will appeal to all those who wish to understand the evolution of Irish society and culture in the late twentieth century and the substantial impact of Irish media on this change
