Insights: Prayer William Barclay, 2014-08-05 So fundamental to our faith and our relationship with God prayer can be both public and private communal and individual Many learn to pray by listening to others but how often do we turn to the Bible to understand what it is that we do when we pray These insights reveal the remarkable real meaning of prayer its power and its purpose **Restless Empire** Odd Arne Westad, 2012-08-28 As the twenty first century dawns China stands at a crossroads The largest and most populous country on earth and currently the world's second biggest economy China has recently reclaimed its historic place at the center of global affairs after decades of internal chaos and disastrous foreign relations But even as China tentatively reengages with the outside world the contradictions of its development risks pushing it back into an era of insularity and instability a regression that as China's recent history shows would have serious implications for all other nations In Restless Empire award winning historian Odd Arne Westad traces China's complex foreign affairs over the past 250 years identifying the forces that will determine the country's path in the decades to come Since the height of the Qing Empire in the eighteenth century China's interactions and confrontations with foreign powers have caused its worldview to fluctuate wildly between extremes of dominance and subjugation emulation and defiance From the invasion of Burma in the 1760s to the Boxer Rebellion in the early 20th century to the 2001 standoff over a downed U S spy plane many of these encounters have left Chinese with a lingering sense of humiliation and resentment and inflamed their notions of justice hierarchy and Chinese centrality in world affairs Recently China's rising influence on the world stage has shown what the country stands to gain from international cooperation and openness But as Westad shows the nation s success will ultimately hinge on its ability to engage with potential international partners while simultaneously safeguarding its own strength and stability An in depth study by one of our most respected authorities on international relations and contemporary East Asian history Restless Empire is essential reading for anyone wishing to understand the recent past and probable future of this dynamic and complex nation International Adventures - Living on the Devil's Doorstep Floyd

application of Biblical truth in your daily life Heroes Among Us Jim Ryun, 2002-01-28 We live in a world where rock superstars athletes celebrities and successful business people are paraded across the big screen and featured on the news as though beauty and fame and money and power made them modern day heroes We seem to have lost sight of what a real hero is Yet America needs true heroes now more than ever Not Supermen with super hero powers but real men and women of character who will stand up and with conviction make right and often hard choices in every circumstance People who show us what it is to be good to be brave to be guided by conscience and character Men and women who are examples whose courage shows us the way we should go Congressman Jim Ryun has provided a wealth of stories of quiet historical heroes who have for the most part been ignored by popular culture and nearly lost in the mist of the past This book is not about popular heroes or cultural icons such as George Washington or Abraham Lincoln These heroes were common people who stood firm in the face of tyranny to give their lives for others and to right the wrongs of social injustice Their stories will inspire you to rise up to slay the dragons of your world The God of New Beginnings Matt Roberts, Rob Cowles, 2018-12-04 Nearly everyone has someone in their circle of acquaintances who struggles an out of control friend or relative whose habits or relationships are in chaos Is there any hope or is he or she doomed to self destruction Pastors Rob Cowles and Matt Roberts say God is equal to the challenge New beginnings are possible no matter how broken devastated or crazy someone s life may be Yet today s churches don t do messy very well The Genesis Project is a network of believers whose goal is to plant churches in dark places targeting people who don't normally do church Reaching drug addicts convicts strippers and gang members they we seen God do some amazing things with seemingly hopeless lives The God of New Beginnings tells these dramatic stories offering practical wisdom for breaking through the darkness in a person s life Pursuing real relationships Opening up true stories Pulling together safe communities Getting honest about sin Extending God's forgiveness and freedom Helping people reset their lives and habits Coping with ongoing complications Not giving up when setbacks occur Freely sharing the victories Keeping the faith life simple Love never fails And when we incorporate God's love into our lives and relationships redemption is possible Ministering Graciously to the Gay and Lesbian Community Brian Keith Williams, 2005 Helps you understand what will enable those individuals who are entrenched in what is called an alternative lifestyle to find a path of peace in the recovery of their soul and self esteem Educate those who want to learn to relate and to understand in order to genuinely minister graciously to the gay and lesbian community whether they be family friends or fellow church members Equip the reader with the information to gently and lovingly apply the oil of God's Spirit and the wine More Than a Conqueror Ty Tamasaka, 2015-05-13 If Christians understood that Jesus promised so much of God s love more than forgiveness of sin in our lives the world would be turned upside down Where are the people of God who grow up to maturity in Christ Where are those who are prepared to forsake all and make the gamble to follow Him Where are those who make it their goal to hear the Father say Well done good and faithful servant God has called you to be more than a conqueror

in this life and the next In More than a Conqueror Five Pathways to Personal Revival author Ty Tamasaka shares how you can not only conquer the enemy but be more than a conqueror You will discover how to ignite a vibrant relationship with God and awaken a deeper faith within No matter where you are in your walk with God if taken to heart the information found in More than a Conqueror Five Pathways to Personal Revival will spark a revival within you Youll be on your way to the life God wants you to live
