Rescuing Jeffrey Richard Galli, 2001-11-06 A father writes of his determination in the days following his son's paralyzing accident to remove his quadriplegic son from life support

**Signifying Bodies** G. Thomas Couser, 2009-10-22 Sheds new light on the memoir boom by asking Is the genre basically about disability

**Vulnerable Subjects** G. Thomas Couser, 2018-08-06 My primary concern is with the ethics of representing vulnerable subjects persons who are liable to exposure by someone with whom they are involved in an intimate or trust based relationship unable to represent themselves in writing or unable to offer meaningful consent to their representation by someone else Of primary importance is intimate life writing that done within families or couples close relationships or quasi professional relationships that involve trust rather than conventional biography which can be written by a stranger The closer the relationship between writer and subject the greater the vulnerability or dependency of the subject the higher the ethical stakes and the more urgent the need for ethical scrutiny from the Preface **Vulnerable Subjects** explores a range of life writing scenarios from the celebrity to the ethnographic and a number of life writing genres from parental memoir to literary case studies by Oliver Sacks G Thomas Couser addresses complex contemporary issues he investigates the role of disability in narratives of euthanasia and explores the implications of the Human Genome Project for life writing practices in any age when many regard DNA as a code that scripts lives and shapes identity Throughout his book is concerned with the ethical implications of the political and economic as well as the mimetic aspects of life writing

**The New York Times Book Reviews 2000** New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

**The Ethics of Life Writing** Paul John Eakin, 2004 Our lives are increasingly on display in public but the ethical issues involved in presenting such revelations remain largely unexamined How can life writing do good and how can it cause harm The eleven essays here explore such questions

**Seizure** Laszlo Varszegi, 2014-09-27 Jeffrey Clark has been working at UCLA for a number of years as a professor of history and has been a lifelong researcher on his own time His deepest interests are in human behavior and human relations that define our world After thirty plus years of diligent research he decided to make his findings public by going on a speaking tour Six

countries accepted his proposed topic to be presented as scientific lectures His tour turned out to be a great success yet controversial in more ways he could imagine His speeches stirred up the public's mood in each country and that mood began spreading around the globe via the Internet Upon returning home he found himself in the center of official attention and disapproval He is soon kidnapped from his home to be interrogated by authorities but rescued by sympathizers to his cause The authorities determined to detain him regardless of his growing popularity mount a nationwide search to locate him While in a short and voluntary exile Jeffrey Clark continues to speak his mind His courage to stand up for what he believes in earns him many new friends They are true patriots who work selflessly to save the country and its government from foreign interests The FEDs finally locate and surround his hideout only to find themselves surrounded by The Peoples Network

**Shifter Magic** Sheri Eleese, 2024-09-26 When the best night of your life ends in betrayal and the only one who can save you is your new mate but everyone's trying to stop him Forrest Carlisle the middle son of a family of powerful witches is close to breaking With his older brother falling to the lure of dark magic and the resulting fallout that's all but ruined his life Forrest needs some time and space to heal from the emotional blows he's suffered But fate has other plans Before he can run off and hide Forrest meets his fated mate a powerful and sexy wolf shifter who makes his heart race One dance and some hot kisses later Forrest eagerly accepts his mate's bite binding their souls for eternity But before he can start living his happy ever after he's betrayed by someone close to him and separated from his newly bonded mate Desmond Alvarez First Beta for the local wolf pack couldn't believe his eyes when his mate appeared in front of him and asked him to dance By the time the first song is over Desmond knows he'll do whatever is necessary to keep his earth witch by his side forever Not wanting to take any chances of something messing up their mating Desmond wastes no time claiming and marking Forrest joining their souls for eternity Yet for all his precautions Forrest is taken from him before the mating sweat on their bodies has time to dry But no one comes between a wolf and his mate Not if they want to live This book is not a standalone and is best read as part of the Starfall Grove series Tags MM Paranormal suspense with romantic elements middle son who doesn't fit in a beta wolf shifter keeping a secret betrayal hot kisses blackmail packlands of power fated mates faith and trust protecting those most important to you steamy times love and a HEA

*The Caregiver's Tale* Ann Burack-Weiss, 2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging

parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them

[The Ethical Component of Nursing Education](#) Marcia Sue DeWolf Bosek, Teresa A. Savage, 2007 This unique text uses hands on examples and learning exercises to help you apply critical ethical principles to specific nursing challenges while addressing a range of patient populations and settings

*Mister Big: A Novel* Harvey Havel, 2018-02-05 In this novel DeShawn Biggs is as formidable as his name suggests At 6 feet 5 inches and 300 pounds DeShawn seems headed for the NFL Indeed a football career is regarded as an inevitability for the young man in his native Albany New York DeShawn eventually gets his shot at the big leagues but his trusting nature and penchant for making bad decisions dog him throughout his career Each time the stakes get higher DeShawn has always been a pawn in a game controlled by other people but how much of his own integrity can he compromise in order to get ahead This book has been written for every kind of football fan interested in what really takes place in high school college and professional sports This is a must read for aficionados of the game and this book provides a timely reminder how much has to be compromised in order to play the game of football at the highest levels

**Davis's Patient-Practitioner Interaction** Gina Maria Musolino, Carol M. Davis, 2025-03-24 This best selling textbook now in its seventh edition is the essential resource to foster the self awareness and communication skills needed by health professionals in providing ethical compassionate and professional care for their patients The book begins by encouraging readers to understand change and evaluate their patterns of response so that they can adapt to patients in a range of stressful or contentious situations Through holistic self awareness taking into account one's family history and personal values the book then discusses methods of stress management before moving through the most effective ways to support and communicate with patients There are chapters on establishing rapport assertiveness and conflict resolution cultural sensitivity leadership spirituality and patient education Specific issues around communicating with terminally ill patients or

those with disabilities are also covered Fully updated throughout the seventh edition now features a new chapter devoted specifically to Justice Equity Diversity and Inclusion plus a new chapter covering professional formation in transitions from classroom to clinical education including telehealth patient practitioner interaction PPI interprofessional education and early career pathways The new edition is informed by the national Healthy People 2030 objectives while also offering further coverage of the social determinants of health biopsychosocial aspects of health and healing and sexuality and sexual health Featuring interactive and online learning activities based on real life clinical situations as well as vignettes designed to make learning active and engaging this invaluable text is ideal for any developing professional in the health professions **Of the Spirit**

Nelly Rios-Freund,2002-02-04 From her childhood under a military dictatorship to the Middle East how did Laura end up in the Persian Gulf War The story begins in a Latin American dictatorship of the 1970 s and concludes after a dramatic rescue attempt in the Middle East during the Persian Gulf War The three principal characters are strong and liberated women whose lives and stories begin to unfold when we meet them living under the strict rule of a military regime They are Adela the mother and her daughters Marta and Laura Their lives as women in the fight for human rights and democracy as depicted in this work is not uncommon in this setting of violence and abuse which has been present since the time of the conquest In a testimonial voice the characters tell their stories throughout the novel about the brutality of the dictatorship the love that keeps them alive and the spirituality inherited from their Incan ancestors This spirituality is a gift that allows them to see things on a different plane separate from the physical events they actually witness **Bioethics and Disability**

Alicia Ouellette,2011-04-25 This book provides the tools for understanding the concerns fears and biases people with disabilities and bioethicists have **Unexpected** Alison Piepmeier,2021-02-23 What prenatal tests and down syndrome reveal about our reproductive choices When Alison Piepmeier scholar of feminism and disability studies and mother of Maybelle an eight year old girl with Down syndrome died of cancer in August 2016 she left behind an important unfinished manuscript about motherhood prenatal testing and disability In Unexpected George Estreich and Rachel Adams pick up where she left off honoring the important research of their friend and colleague as well as adding new perspectives to her work Based on interviews with parents of children with Down syndrome as well as women who terminated their pregnancies because their fetus was identified as having the condition Unexpected paints an intimate nuanced picture of reproductive choice in today s world Piepmeier takes us inside her own daughter s life showing how Down syndrome is misunderstood stigmatized and condemned particularly in the context of prenatal testing At a time when medical technology is rapidly advancing Unexpected provides a much needed perspective on our complex and frequently troubling understanding of Down syndrome **Return to Terra Nova**

Thelma Ritchie,2021-06-08 A planet of intrigue Mars beckons Would you go if you had the chance Return to Terra Nova Conquering Fear presents compelling reasons to make the trip convincing the reader that living and working on an alien planet is a future reality Mars is humanity s next frontier This first volume of Thelma Ritchie s

new trilogy about the Martian settlement Terra Nova gives her readers a glimpse into the bravery and sacrifice required for participating in this grand adventure Tackling the theme of overcoming fear with faith Ritchie weaves together a story guaranteed to push the limits of the imagination As always she writes an exciting and educational book of fiction with realistic characters to emulate Christian principles and accurate science are combined in an adventure that all ages will enjoy The sky isn't the limit as the Newton prepares to liftoff from Nicholson's Earth orbiter and blast through space faster than a racing bullet

**The Penn Center Guide to Bioethics** Vardit Ravitsky, Autumn Fiester, Arthur L. Caplan, 2009-04-16  
Named an Outstanding Academic Title for 2009 by Choice A set of almost 70 essays all well informed and many with attitude Harold Shapiro PhD Professor Emeritus and Professor of Economics and Public Affairs Princeton University Former Chair National Bioethics Advisory Board This most noteworthy and authoritative collection of 67 essays represents the Penn way of doing bioethics The Penn Center is widely known for multidisciplinary scholarship that emphasizes empirical inquiry on bioethical issues coupled with practical applications The book provides excellent coverage of both classical topics e.g. informed consent infertility eugenics and emerging issues e.g. cloning nonprofessional caregiving privacy of thought in the age of brain imaging The contributors including the three editors are either well established or emerging scholars Each essay offers historical background an overview of relevant issues a conclusion and a list of references Summing Up Highly recommended Choice Current Reviews for Academic Libraries This well written book addresses a wide ranging assortment of traditional bioethics issues that persist in the field as well as contemporary bioethics concerns that have evolved with new technologies and medical advances This is a great resource for scholars in bioethics as well as various other relevant disciplines concerned with bioethical issues Score 96 4 stars Doody's Medical Reviews The Center for Bioethics at the University of Pennsylvania is the internationally recognized leader in bioethical education and research Its interdisciplinary faculty is drawn from the fields of medicine law nursing education philosophy psychology and religious studies Arthur L. Caplan the Center's founding director is recognized as one of the most influential experts in bioethics He has authored numerous books and articles and served as the Chair of the Advisory Committee to the United Nations on human cloning The Penn Center's leading fellows Autumn Fiester and Vardit Ravitsky have combined their expertise with Dr. Caplan and over 80 other contributors to create The Penn Center Guide to Bioethics the foremost authority on both traditional and cutting edge bioethical issues The Penn Guide navigates uncharted ethical terrains undoubtedly shaping both academic and public discourses on the challenging controversies generated by new technologies theories and medical advances This volume represents the Penn Center's distinct pioneering approach to bioethics one that emphasizes empirical treatment of bioethical issues and the integration of bioethical scholarship with practical application Learn what the Penn Center has to say about Neuroethics and brain imaging Is my mind mine Choosing future people reproductive technologies and identity Eugenics and survival of the fittest in the modern world Bioethics and national security Vaccination abortion nanotechnology organ

transplantation end of life issues and more The Penn Guide will be the definitive text for policy makers health practitioners researchers and students This book will also inform the general public patients and family members as they seek answers to the bioethical issues of the day To Do, To Die, To Reason Why Victor Tadros, 2020-06-18 To Do To Die To Reason Why offers a new account of the ethics of war and the legal regulation of war It is especially concerned with the conduct of individuals including whether they are required to follow orders to go to war what moral constraints there are on killing in war what makes people liable to be killed in war and the extent to which the laws of war ought to reflect the morality of war Victor Tadros defends a largely anti authority view about the morality of war and notable moral constraints on killing in war such as the Doctrine of Doing and Allowing and a version of the Doctrine of Double Effect However he argues that a much wider range of people are liable to be harmed or killed in war than is normally thought to be the case on grounds of both causal involvement and fairness And it argues that the laws of war should converge much more closely with the morality of war than is currently the case
