Children, Childhood, and Musical Theater Donelle Ruwe,James Leve,2020-02-19 Bringing together scholars from musicology literature childhood studies and theater this volume examines the ways in which children s musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child The contributors take up a wide range of musicals including works inspired by the books of children s authors such as Roald Dahl P L Travers and Francis Hodgson Burnett created by Rodgers and Hammerstein Lionel Bart and other leading lights of musical theater or conceived for a cast made up entirely of children The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be It also considers the child performer in movie musicals as well as in professional and amateur stage musicals This far ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults The collection comes at a time of increased importance of musical theater in the lives of children and young adults

Surviving Child Sexual Abuse Liz Hall,Siobhan Lloyd,2003-12-16

Surviving Child Sexual Abuse is a handbook for survivors and their helpers. It examines what sexual abuse entails for a child and why it happens. Personal and professional issues for helpers are addressed and the long term effects of sexual abuse are examined. The strengths of survivors are acknowledged together with the supportive alliances they have formed with partners, helpers and friends. The theme of disclosure is examined in depth and the main themes in therapeutic work with survivors are discussed and methods are described which can be used in such therapeutic work. This highly successful book ends with an evaluation of the issues involved in training helpers for working with survivors. The book is aimed at therapists including social workers, counsellors in public organizations and private practice, clinical psychologists, psychiatrists, nurses, health visitors, general practitioners, police and psychotherapists.

Counselling Adult Survivors of Child Sexual Abuse Christiane Sanderson, 2006-06-15. This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse (CSA). In a reasoned and thoughtful approach, this book honestly addresses the complex issues in this important area of work, providing practical strategies, valuable and new insights for counsellors.

Creative Responses to Child Sexual Abuse Sue Richardson, Heather Bacon, 2003-01-15. Using attachment theory as a foundation, this book addresses in depth the acute practice dilemmas concerning children who, despite the climate of increased awareness, multi-disciplinary cooperation and legislative and procedural change, cannot easily be protected. The contributors give guidelines for working with the children.

Working with Adult Survivors of Childhood Sexual Abuse Liezel Anguelova, 2018-03-20. This book provides a framework for addressing the extended treatment needs of adult survivors of child sexual abuse. It is based on a therapeutic intervention model that provides flexibility for therapists to work according to their training and skills set while incorporating practical techniques structured around the needs of survivors. The book begins by providing therapists with crucial information about sexual abuse survivors such as ethical considerations, types of abuse, the stages of abuse and the effects of the abuse on the child, as well as a method useful in the putting together of an abuse profile which ultimately assists in identifying treatment needs. The second part of the book provides client homework exercises for treatment and covers working with memories, denial, problematic emotions such as guilt, self-blame and shame, depression and anxiety, sexuality as well as parents, partners and more. This accessible yet comprehensive guide will be of utmost use to mental health professionals who work with adult survivors of childhood sexual abuse.

Memory Warp Mark Pendergrast, 2021-10-22. In *Memory Warp*, Mark Pendergrast sounds a clarion call to stop the ongoing pseudoscience of repressed memory therapy, which has destroyed millions of families and continues to do so. In the 1990s, Pendergrast's book *Victims of Memory* helped to debunk the repressed memory craze. Now more than two decades later, he revisits the subject and proves that this form of therapy is still widespread, still destroying family relationships and causing false allegations of terrible crimes against innocent parents and caregivers. With meticulous research and captivating writing, Pendergrast brings coverage of this issue up to date.

Therapy for Eating Disorders Sara Gilbert, 2013-12-16. This updated edition provides an

excellent overview of the diagnosis prevalence and causes of eating disorders as well as a handbook for the application of evidence based interventions A must buy for eating disorder services and individual practitioners Sally Savage Clinical Lead for Northamptonshire NHS Eating Disorders Lifespan Service Affecting thousands of people every year with potentially devastating consequences anorexia bulimia and binge eating disorders are becoming increasingly evident in today s fast paced high pressured society Drawing on over 20 years experience as a practitioner Sara Gilbert takes the reader through the complexities of working with eating disorders drawing on practical cognitive behavioural and educational approaches to theory assessment treatment and practice Packed full of new resources for both qualified professionals and trainees this new edition includes A summary of new research on the causes of eating disorders dual diagnosis and co morbidity New content on the best treatment for eating disorders and preparing clients for treatment An updated chapter examining the effects of nutrition on physical and psychological well being New content on working with complexity and risk A fully updated reference section This is a vital resource for practitioners in the mental health field including psychotherapists psychologists counsellors psychiatrists mental health nurses and dieticians Sara Gilbert is a chartered clinical psychologist whose specialist interest in the field of eating disorders spans 20 years She has worked for 12 years as a clinical lead in an eating disorder service in the NHS and is now in private practice

The Repressed Memory Epidemic Mark Pendergrast, 2017-10-13 This book offers a comprehensive overview of the concept of repressed memories It provides a history and context that documents key events that have had an effect on the way that modern psychology and psychotherapy have developed Chapters provide an overview of how human memory functions and works and examine facets of the misguided theories behind repressed memory The book also examines the science of the brain the reconstructive nature of human memory and studies of suggestibility It traces the present day resurgence of a belief in repressed memories in the general public as well as among many clinical psychologists psychiatrists social workers body workers and others who offer counseling It concludes with legal and professional recommendations and advice for individuals who deal with or have dealt with the psychotherapeutic practice of repressed memory therapy Topics featured in this text include The modern diagnosis of Dissociative Identity Disorder DID once called MPD The Satanic Panic of the 1980s and its relation to repressed memory therapy The McMartin Preschool Case and the Day Care Sex Panic A historical overview from the Great Witch Craze to Sigmund Freud s theories spanning the 16th to 19th centuries An exploration of the cultural context that produced the repressed memory epidemic of the 1990s The repressed memory movement as a religious sect or cult The Repressed Memory Epidemic will be of interest to researchers and clinicians as well as undergraduate and graduate students in the fields of psychology sociology cultural studies religion and anthropology
