## **Research Decisions Quantitative And Qualitative Perspectives:**

*Research Decisions* T. S. Palys, Ted Palys, 1997 Quantitative and qualitative traditions in the social sciences have remained largely separate This volume argues that although the two perspectives are different their differences should be construed as a source of strength rather than as a cause for conflict It introduces the social philosophical and political considerations students may face as they plan and carry out research

**Research Decisions** Theodore Stephen Palys, 2003 *Research Decisions* offers a concise yet comprehensive overview of the approaches and methods involved in doing social research It lays the foundations for good research by exploring what it means to be a member of the social sciences community The book's thesis acknowledges the differences between the two main approaches to research quantitative and qualitative but offers that these differences should be interpreted as a source of strength rather than a field of conflict This student friendly work emphasizes practical issues and has been praised for its liberal use of Canadian examples from a variety of academic disciplines

*Research Decisions* T. S. Palys, Chris Atchison, 2007-02-19 *Research Decisions* offers a concise yet comprehensive overview of the approaches and methods involved in performing social research It lays the foundations for good research by exploring what it means to be a member of the social sciences community The book's thesis acknowledges the differences between the two main approaches to research quantitative and qualitative but offers that these differences should be interpreted as a source of strength rather than a field of conflict This student friendly work emphasizes practical issues and has been praised for its liberal use of Canadian examples from a variety of academic disciplines A well rounded presentation of the theory and philosophy underlying the approaches to social research Linkages between theory and data are thoroughly examined throughout the book Complex material is explained clearly in this student friendly book Includes coverage of computer assisted data analysis Emphasizes practical issues such as the importance of formulating research objectives Gives special attention to actual data gathering procedures including sampling interviews questionnaires observational strategies and on site research Includes Canadian examples throughout

**The Sikh Diaspora in Vancouver** Kamala Elizabeth Nayar, 2004-01-01 The result of an exhaustive analysis of the beliefs and attitudes among three generations of the Sikh community and having conducted over 100 interviews Nayar highlights differences and tensions with regards to the role of familial relations child rearing and religion

**Research Decisions** Theodore Stephen Palys, 2011 *Visualizing Social Science Research* Johannes Wheeldon, Mauri K. Ahlberg, 2011-07-12 This introductory text presents basic principles of social science research through maps graphs and diagrams The authors show how concept maps and mind maps can be used in quantitative qualitative and mixed methods research using student friendly examples and classroom based activities Integrating theory and practice chapters show how to use these tools to plan research projects see analysis strategies and assist in the development and

writing of research reports      **Religion and Canadian Society** Lori G. Beaman, 2012 This text offers an outstanding selection of readings that represent an overview of the key issues in the sociology of religion from a uniquely Canadian perspective Masterfully planned and united by clearly articulated themes the second edition moves through three thematic cornerstones contexts identities and strategies Recurring sub themes include the definition of religion the secularization debate the challenge of diversity and the gendered aspects of religious experience Key additions to this edition include a discussion on cultural diversity an exploration of religion and sexuality and a thorough historical overview of religion in Canada      **The Punjabis in British Columbia** Kamala Elizabeth Nayar, 2012-10-01 In this richly detailed study Kamala Nayar documents the social and cultural transformation of the Punjabi community in British Columbia From their initial settlement in the rural Skeena region to the communities that later developed in larger urban centres The Punjabis in British Columbia illustrates the complex and diverse experiences of an immigrant community that merits greater attention Exploring themes of gender employment rural and urban migrant life and the relationships between the Punjabis and surrounding First Nations and other immigrant groups Nayar creates a portrait of a community in transition Shedding light on the ways in which economic circumstances affect immigrant communities Nayar presents findings from interviews conducted with over one hundred participants She details the relocation of Punjabi populations from the Skeena region to British Columbia s lower mainland during the decline of the forestry and fishery industries how their second migration changed their professional and personal lives and how their history continues to shape the identities and experiences of Punjabis in Canada today A nuanced look at the complexities of social and cultural adaptation The Punjabis in British Columbia adds an essential perspective to what it means to be Canadian      **Criminalization, Representation, Regulation** Deborah Brock, Amanda Glasbeek, Carmela Murdocca, 2014-09-30 What is a crime and how do we construct it The answers to these questions are complex and entangled in a web of power relations that require us to think differently about processes of criminalization and regulation This book draws on Foucault s concept of governmentality as a lens to analyze and critique how crime is understood reproduced and challenged It explores the dynamic interplay between practices of representation processes of criminalization and the ways that these circulate to both reflect and constitute crime and justice      **Still Dying for a Living** Steven Bittle, 2012-10-16 In 1992 a preventable explosion at the Westray Mine in Plymouth Nova Scotia killed twenty six miners More than a decade later the government enacted Bill C 45 commonly known as the Westray bill to hold organizations criminally liable for seriously injuring and killing workers and the public In Still Dying for a Living Steven Bittle turns a critical eye on the Westray bill revealing how legal economic and cultural discourses surrounding the bill downplayed the seriousness of workplace injury and death effectively characterizing these crimes as regrettable but largely unavoidable accidents and in the process obscuring their underlying causes      **Farming in a Changing Climate** Ellen Wall, Barry Smit, Johanna Wandel, 2011-11-01 In farming systems across Canada effective risk management is necessary to deal with

drought flooding and extreme weather and to adapt to altered climate and weather conditions Unfortunately climate change risks and opportunities are not always well understood among researchers and policy makers in the Canadian agri food sector This book addresses that gap by providing a wide ranging synopsis of what climate change means for Canadian agriculture exploring different approaches to the topic and presenting examples of current research It covers all agricultural regions and a wide variety of commodity production and farming systems This comprehensive survey synthesizes twenty years of research on climate change and Canadian agriculture

Critical Criminology in Canada

Aaron Doyle,Dawn Moore,2011-01-01 Canada s criminal justice landscape has been shaped by contrary trends in recent years As the crime rate declines policy makers continue to push for tough on crime legislation and university criminology programs continue to expand Given these trends what does the future hold for criminology and criminal justice This book presents the work of a new generation of critical criminologists who explore the geographical institutional and political context of the discipline in Canada Breaking away from mainstream criminology and popular law and order discourses the authors present a spectrum of theoretical approaches to criminal justice from governmentality to feminist criminology from critical realism to anarchism and they propose novel approaches to topics such as genocide white collar crime and the effect of prison sentences on families By posing crucial questions and attempting to define what criminology should be this book will shape debates about crime policing and punishment for years to come

**Doing Justice without the State**

Ogbonnaya Oko Elechi,2006-07-25 This study examines the principles and practices of the Afikpo Eugbo Nigeria indigenous justice system in contemporary times Like most African societies the Afikpo indigenous justice system employs restorative transformative and communitarian principles in conflict resolution This book describes the processes of community empowerment participatory justice system and how regular institutions of society that provide education social and economic

support are also effective in early intervention in disputes and prevention of conflicts

**Open Source Agriculture** Chris Giotitsas, 2019-11-14 This Palgrave Pivot employs the concept of open source agriculture as a new social movement which not only advocates a specific agenda but also creates technological products under a unique technology development model The book brings together social movement and technology theory to examine it through two in depth case studies of open source agricultural communities This allows for the tracing of values and interests coded within the technological artefacts the communities produce as well as their development processes Critical theory of technology is further applied to examine the broader political economy of the development model
