## **Research On The African American Family A Holistic Perspective:**

**Research on the African-American Family** Robert B. Hill, 1993-03-05 Black families in America face special and grave problems Widespread unemployment single parent circumstances adolescent pregnancies substance abuse and violence are only some of the problems posing challenges The authors convinced that the conventional perspective used in the past to analyze black families is deficient propose a holistic approach That perspective takes into account the totality of black family life rather than measuring isolated factors Using black families as the central unit of analysis the authors identify fundamental issues requiring concentrated attention and policy changes Both factors external to the black family and consideration internal to it are studied The former include economic factors racism demographics and governmental policies The latter involve such aspects as black family structure changes in the community and widespread changes in values at the individual level The authors provide practical recommendations for improving the conditions of black families through policy changes and revised priorities

**African American Family Life** Vonnie C. McLoyd, Nancy E. Hill, Kenneth A. Dodge, 2005-09-26 This volume brings together leading experts from different disciplines to offer new perspectives on contemporary African American families A wealth of knowledge is presented on the heterogeneity of Black family life today the challenges and opportunities facing parents children and communities and the impact on health and development of key cultural and social processes Comprehensive and authoritative the book critically evaluates current policies and service delivery models and sets forth cogent recommendations for supporting families strengths Following an overview that traces the ongoing evolution of theory and research in the field the book examines how African American families fare on numerous indicators of well being Throughout contributors identify factors that promote or hinder healthy child and family development writing from a culturally sensitive nonpathologizing stance The concluding chapter provides an up to date framework for culturally competent mental health practice

**Impacts of Incarceration on the African American Family** Othello Harris, Robin Miller, 2018-05-04 The criminal justice system has driven a wedge between black men and their children African American men are involved in the criminal justice system whether through incarceration probation or parole at near epidemic levels At the same time the criminal justice system has made little or no institutional efforts to maintain or support continuing relationships between these men and their families Consequently African American families are harmed by this in countless ways from the psychological physical and material suffering experienced by the men themselves to losses felt by their mates children and extended family members The volume opens with an introduction and brief review by R Robin Miller Sandra Lee Browning and Lisa M Spruance outlining the impacts of incarceration on the African American family Brad Tripp explores changes in family relationships and the identity of incarcerated African American fathers Mary Balthazar and Lula King discuss the loss of the protective effect of marital and nonmarital relationships and its impact on incarcerated African American men and the implications for African American men and those who work with them in the

helping professions Theresa Clark explores the relationship between visits by family and friends and the nature of inmate behavior In a research note Olga Grinstead Bonnie Faigeles Carrie Bancroft and Barry Zack investigate the actual costs families incur to maintain contact with family members be it emotional social or financial Patricia E O Connor uses data from sociolinguistic interviews of male inmates from a maximum security prison to study how some of these men manage to continue to fulfill the fatherhood role long distance In a concluding chapter Sandra Lee Browning Robin Miller and Lisa Spruance focus on actions of the criminal justice system that undermine the black family on reasons that black male inmate fathers are studied so rarely and discuss the role restorative justice may play This insightful volume fills a void in the literature on the role of African American men in the functioning of families It will be of interest to students of African American studies social workers and policy makers *The Strengths of African American Families* Robert B. Hill, 1999-01-14 Returning to his innovative work of twenty five years ago Robert Hill once more offers an incisive analysis of five key cultural strengths of African American families With compassion and eloquence he argues that these existing strengths provide a solid foundation upon which to develop the kind of public policies and self help initiatives that will truly promote the interests not only of the African American community but of our diverse nation as a whole *African American Behavior in the Social Environment* J. **Family Law in America** Sanford N. Katz, 2014-09-12 For many years family law was viewed as a study of the regulation of clearly defined relationships of husband and wife and parent and child In the case of husband and wife it was through formal legal procedures or informal arrangements called marriage In the case of parent and child it was either through biology or adoption Equally defined were the stages by which these relationships were established maintained and terminated However by the close of the twentieth century basic questions about who should be officially designated a family member and by what procedure were being raised both in the legislature and in litigation In addition conventional models that had defined domestic relations such as marriage divorce and adoption were either being expanded to include contemporary patterns of living arrangements and the current reality or new models were being constructed In Family Law in America Sanford N Katz examines the present state of family law in America Themes include the tension between individual autonomy and governmental regulation in all aspects of family law the extent to which relationships established before marriage are being regulated and how marriage is being redefined to take into account equality of the sexes and the legal recognition of same sex marriage in some jurisdictions It demonstrates how the definition of marriage as a partnership in which the individual spouse s rights are recognized has resulted in protection of the vulnerable spouse It also examines fault and no fault divorce procedures and the extent to which these procedures reflect social realities This volume describes state intervention into the parent and child relationship and how this is reflected in the reexamination of the privacy of the family unit It concludes with a discussion of the conventional model of adoption of children and how new

assisted reproductive technologies are having an impact on family formation particularly adoption to take into account new family forms This second edition captures recent developments affecting family law in America including the transformation of the institution of marriage from being a relationship between a man and a woman to encompassing same sex marriage It also features timely material with insights into adoption that take into account developments in assisted reproduction technologies and the discussion of sexual abuse of children by clergy A newly added Preface focuses mainly on the U S Supreme Court s decision in the Obergefell v Hodges case which held in a 5 4 decision that the bans on same sex marriage in Michigan Kentucky Ohio and Tennessee were unconstitutional the Court held that the right to marry a person of the same sex is protected by the Due Process and Equal Protections Clauses of the Fourteenth Amendment and therefore may not be denied in any State

**Interpersonal Violence in the African-American Community** Robert L. Hampton, Thomas P. Gullotta, 2010-04-21 This book provides a solid foundation for understanding violence within the African American community from the perspective of African Americans It challenges existing stereotypes of African Americans and offers concrete advice on approaches that are or might be effective with African American populations The content is driven by real world evidence based practices based on sound scientific foundations

**The Myth of the Missing Black Father** Roberta Coles, Charles Green, 2009-12-23 Common stereotypes portray black fathers as being largely absent from their families Yet while black fathers are less likely than white and Hispanic fathers to marry their child s mother many continue to parent through cohabitation and visitation providing caretaking financial and other in kind support This volume captures the meaning and practice of black fatherhood in its many manifestations exploring two parent families cohabitation single custodial fathering stepfathering noncustodial visitation and parenting by extended family members and friends Contributors examine ways that black men perceive and decipher their parenting responsibilities paying careful attention to psychosocial economic and political factors that affect the ability to parent Chapters compare the diversity of African American fatherhood with negative portrayals in politics academia and literature and through qualitative analysis and original profiles illustrate the struggle and intent of many black fathers to be responsible caregivers This collection also includes interviews with daughters of absent fathers and concludes with the effects of certain policy decisions on responsible parenting

**The End of Black Studies** Clovis E. Semmes, 2016-08-12 Following a history of racial oppression and segregation Black Americans were able to move in greater numbers into previously all or predominantly White colleges and universities However they encountered normative structures that excluded or distorted the Black experience and denied Black perspectives As a result Black studies grew up reconstructing the humanity of a historically oppressed devalued and exploited group Knowledge production in Black studies offers distinct insights into the strength and resiliency of the human spirit and poses exemplary models for enlightened social change This book examines the foundational parameters and historical mission of the field of

African American Studies which emerged from a broad based Black intellectual tradition defined by the metaproblem of cultural hegemony Semmes seeks to broaden our thinking about the scope and content of Black studies The End of Black Studies identifies Afrocentric or Black centered approaches to knowledge production that are distinctly different from yet inclusive of a historiographical emphasis on ancient Egypt but alternative to the claim of a singular African worldview This book will appeal to students and scholars interested in the field of Black Studies including African American studies Africana studies Africology and Pan African studies It will be a source of critical discussion for graduate seminars examining theory building and or knowledge production research and writing in Black studies The End of Black Studies has received the 2017 Outstanding Book Award from the National Council for Black Studies Read the Introduction for free online using our eBook widget

**Racist America** Joe R. Feagin, 2014-01-21 This third edition of Joe R Feagin s Racist America is significantly revised and updated with an eye toward racism issues arising regularly in our contemporary era This edition incorporates more than two hundred recent research studies and reports on U S racial issues that update and enhance all the last edition s chapters It expands the discussion and data on concepts such as the white racial frame and systemic racism from research studies by Feagin and his colleagues The author has further polished the book to make it yet more readable for undergraduates including eliminating repetitive materials adding headings and more cross referencing and adding new examples anecdotes and narratives about contemporary racism

**American Families** Stephanie Coontz, Maya Parson, Gabrielle Raley, 1999 A reader for a two quarter seminar on race class and gender in family scholarship Selections shed light on debates in family diversity revealing that in every historical period the US has had several distinct but interconnected family systems all of which form part of a larger constellation of power relations unequal access to resources and struggles over ideological representations of family life Topics include American Indians and the boarding school experience social science theorizing for Latino families gay and lesbian families and biracial identity No index Annotation copyrighted by Book News Inc Portland OR
