**Revealing Nursing Expertise Through Practitioner Inquiry** Sally Hardy, Angie Titchen, Brendan McCormack, Kim Manley, 2009-07-31. *Revealing Nursing Expertise Through Practitioner Inquiry* explores and reveals the often hidden workings of expert practitioners. It provides valuable insights into developing practice expertise and how expert nursing practice is a key influence on health care practice. The authors present evidence around the interconnected components needed to facilitate support and enable nurses in their practice settings through a transformational framework used to further develop and refine nursing practice expertise. Part 1 explores the current context of practice expertise and the process of practitioner inquiry. Part 2 examines the evidence for practice expertise using exemplars from the extensive Expertise in Practice Project. This includes perspectives of practitioners developing their expertise in diverse areas of clinical practice as well as of those who facilitate practitioners to develop and articulate their practice expertise. Part 3 explores the development of portfolios of evidence that demonstrate expertise, examines models and approaches to facilitation and provides a toolkit of resources. *Revealing Nursing Expertise Through Practitioner Inquiry* provides important evidence to support the claim that expert nurses change patients' worlds as well as transforming practice, workplace performance and organisational wide service developments. Provides a framework for exploring and developing nursing expertise. Enables nurses to articulate their expertise and examine their own practice. Offers practical guidance on facilitating inquiry based practitioners. Draws on results of the RCN Expertise in Practice project. Written

collaboratively by practitioners practice developers and nurse academics      *Proceedings of the 6th International Conference on Learning Innovation and Quality Education (ICLIQE 2022)* Moh Salimi, Gunarhadi, Ratna Hidayah, Dewanta Arya Nugraha, 2023-12-01 This is an open access book The 6th International Conference on Learning Innovation and Quality Education ICLIQE 2022 is organized by Faculty of Teacher Training and Education The purpose of the ICLIQE 2022 activity is as a forum to accommodate researchers academics educators and education staff consultants government and other stakeholders to share perspectives related to educational trends seen from the perspective of society 5.0 era which includes the fields of science and technology education social and humanities management education basic education special education early childhood education guidance and counseling curriculum and educational evaluation and innovation
