### Materials Needed

- Straws
- Glue
- Printed circle templates
- String or yarn

### Instructions

1. Choose four templates. Print the circle templates.
2. Fill in the templates.
3. Cut out circle out.
4. Fold the circle in half vertically.
5. Draw with two circles. Glue the back half of one circle to the top half of the other.
6. Be sure to glue the back sides together, not the front sides. This allows the writing surface template to show in the final product.
7. Next, take circle three and continue with the gluing pattern above.
8. Before gluing the last two circles together, tape a piece of string or yarn to one side. The string should be short or cut so the circle is not enough hanging out of the top to hang it from the desired height.
9. Glue the final sides together to make the completed 3D circle craft.
10. Hang and enjoy!
