

Riding the recession

When the media starts reporting higher interest rates and spiralling price rises, their next story will almost certainly scream the impending doom of a possible economic recession. But is it all bad news for local share market investors?

As Warren Buffet says, "When stocks are down, we're going to be buying on balance, and who wouldn't rather buy at a lower price than at a higher price?"

Wales Trades Union Council, 1990 **The Wave Rider** Ajit Balakrishnan, 2012-12-06 Ajit Balakrishnan is quietly experimenting with the new and fascinating technologies of the Internet in 1995 when the dot com fever grips the world Venture capitalists investment bankers and lawyers pound at the doors of his tiny office in a low rent area of Mumbai urging him to take his company public on New York s NASDAQ stock market Balakrishnan sets out on this enterprise a path that

takes him through the world's financial centres of London Hamburg New York Boston and San Francisco This story recounts how he battles adversaries many times his size fends off avaricious lawyers who try to extort money through class action suits in the tough courts of lower Manhattan rebuffs investment bankers who try to engineer the sale of his company and tries to make sense of a world where technology and business models change every few months He steers his company through the financial crashes of 2000 and 2008 watches in awe as terrorists bring down New York's World Trade Centre towers puzzles over the decline of once famous names such as AOL and Netscape and the rise of new behemoths like Facebook and Google wrestles with India's legal system and pushes to bring Rediff into the new world of the Internet Gradually he realizes that the battles he is part of are not just business battles they signal the dawn of the Information Age

EU Fiscal Policy Coordination in Hard Times Charlotte Rommerskirchen, 2019-01-24 What happens to European Union EU fiscal policy coordination in hard times Recent accounts of the EU have portrayed the union as plagued by an austerity regime and rampant moral hazard Charlotte Rommerskirchen provides an alternative account of economic cooperation in Europe during the Great Recession and the European Debt Crisis Drawing on Mancur Olson's theory of collective action this volume combines evidence from statistical analysis and extensive interviews with key players This book reaches an unexpected conclusion regarding the state of collective action in times of crises Free riding was not rife Despite heated accusations member states crisis policies matched their fiscal room for manoeuvre The real collective action failure is instead diagnosed in the inability to sanction free riders at the EU level and empowering erratic bond markets to discipline governments
