Rush To The Lake:

Rush to the Lake Forrest Gander, 2019-10-01 With this extraordinary first collection Forrest Gander achieves the artful connection between head and heart and loins These are poems whose chronic desires are poised on a consciousness of equal caliber and force Line by line he detaches the familiar from old surroundings in language exquisitely cultivated to the edge of excess It is poetry that prompts us to exult in our intricacy In allowing us into the inner circle by the boathouse Rush To The Lake both disturbs our equilibria and restores us to the unflinching wonder of daily light Rush to the Lake Forrest Gander, 1988-01-01 Poetry Forrest Gander's poems have life humor and a pleasant strangeness They speak of or rather from a Japan of the imagination and the American South in sweet and sure androgynous tones His book will make you laugh while the poems go about their business of printing after images on your memory William Corbett Publication Michigan.
