Seasonal Workers in Mediterranean Agriculture Jörg Gertel, Sarah Ruth Sippel, 2014-04-03 Over the last three decades there has been a rapid expansion of intensive production of fresh fruit and vegetables in the Mediterranean regions of south and west Europe Much of this depends on migrating workers for seasonal labour including from Eastern Europe North Africa and Latin America This book is the first to address global agro migration complexes across the region It is argued that both intensive agricultural production and related working conditions are highly dynamic Regional patterns have developed from small scale family farming to become an industrialized part of the global agri food system which increasingly depends on seasonal labour Simultaneously consumer demand for year round supply has caused relocations of the industry within Europe areas of intensive greenhouse production have moved further south and even into North Africa The authors investigate this Mediterranean agri food system that transcends borders and is largely constituted by invisible seasonal work By revealing the story of food commodities loaded with implications of private profit seeking exploitation exclusion and multiple insecurities the book unmask the hidden costs of fresh food provisioning

Three case study areas are considered in detail the French region of Provence a traditional centre of fresh fruit and vegetable cultivation the Spanish Almer a region where intensive production has accelerated dramatically since the 1970s and Morocco where counter seasonal production has recently been expanding The book also includes commentaries that refer to complementary insights on US Mexico Philippines Canada and South Pacific mobilities *Lonely Planet France* Lonely Planet, Nicola Williams, Alexis Averbuck, Oliver Berry, Jean-Bernard Carillet, Kerry Christiani, Gregor Clark, Catherine Le Nevez, Christopher Pitts, Daniel Robinson, 2017-03-01 Lonely Planet The world's leading travel guide publisher Lonely Planet France is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Grab a cafe creme at a Parisian sidewalk cafe take in glacial panoramas above Chamonix or explore the Champagne soaked city of Reims all with your trusted travel companion Get to the heart of France and begin your journey now Inside Lonely Planet's France Travel Guide Full colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history art literature cinema music architecture politics landscapes wildlife cuisine wine Free convenient pull out Paris map included in print version plus over 130 colour maps Covers Paris Lille Flanders the Somme Normandy Brittany Champagne Alsace Lorraine the Loire Valley Burgundy Lyon the French Alps Basque Country the Pyrenees Languedoc Roussillon Provence Corsica and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing The Perfect Choice Lonely Planet France our most comprehensive guide to France is perfect for both exploring top sights and taking roads less travelled Looking for a guide focused on Paris Check out Lonely Planet's Paris guide for a comprehensive look at all the city has to offer or Pocket Paris a handy sized guide focused on the can't miss sights for a quick trip About Lonely Planet Since 1973 Lonely Planet has become the world's leading travel media company with guidebooks to every destination an award winning website mobile and digital travel products and a dedicated traveller community Lonely Planet covers must see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves The world awaits Lonely Planet guides have won the TripAdvisor Traveler's Choice Award in 2012 2013 2014 2015 and 2016 Lonely Planet It's on everyone's bookshelves it's in every traveller's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Lonely Planet guides are quite simply like no other New
