THE LONGMAN ANTHOLOGY
BRITISH LITERATURE

VOLUME 1C • THE RESTORATION AND THE EIGHTEENTH CENTURY

Longman Anthology Of British Literature Vol 1c The Restoration And The Eighteenth Century

David Damrosch, Stuart Sherman

Longman Anthology Of British Literature Vol 1c The Restoration And The Eighteenth Century:

Longman Anthology of British Literature, Volume 1c Stuart Sherman, 2006-02-01 Volume 1C The Restoration and the 18th Century of The Longman Anthology of British Literature is a comprehensive and thoughtfully arranged anthology that offers a rich selection of major British authors throughout the Restoration and the 18th Century The book includes Perspectives Companion Readings and and Its Time sections which show how major literary writings interrelate with and respond to various social historical and cultural events of Great Britain in the 18th Century With a generous representation of fiction drama and poetry the second edition includes major additions of important works and an expanded illustration program Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and illustrations show both artistic and cultural developments of the period For those interested in British Literature of the Restoration and 18th Century [The Longman Anthology of British Literature](#) Stuart Sherman, 2014-08-04 The Fourth Edition of The Longman Anthology of British Literature continues its tradition of presenting works in the historical context in which they were written This fresh approach includes writers from the British Isles underrepresented female authors Perspectives section that shed light on the period as a whole and link with immediately surrounding works to help illuminate a theme And Its Time clusters that illuminate a specific cultural moment or a debate to which an author is responding and Responses in which later authors respond to one or more texts from earlier works **The Longman Anthology of British Literature** David Damrosch, Stuart Sherman, 1999 Volume 1C The Eighteenth Century of 6 volume splits of parent volumes [Valuepack: Longman Anthology of British Literature, Volume 1C](#) David Damrosch, Stuart Sherman, 2007-07-12 This Pack consists of The Longman Anthology of British Literature Volume 1C The Restoration and the Eighteenth Century 3 e by David Damrosch ISBN 9780321333933 Gulliver s Travels 1 e by Jonathon Swift ISBN 9780141439495 Moll Flanders 1 e by Daniel Defoe ISBN 9780140433135 and Joseph Andrews Shamela 1 e by Henry Fielding ISBN 9780140433869 **The Representation of the Ottoman Orient in Eighteenth Century English Literature** Hasan Baktir, 2010-08-01 Inspired by the growing interest in oriental countries and cultures Hasan Baktir examines the representation of the Ottoman Orient in 18th century English literature taking a new perspective to achieve a comprehensive understanding and investigating different aspects of the interaction between the Ottoman Orient and 18th century Europe A number of questions continue to arise in the wake of Said s 1978 landmark study Orientalism How monodirectional was the flow of power in such representations To what extent did the travelling observer also participate and become influenced by the phenomena he tried to depict without attachment What variety of motivations lay behind the desire to know and represent the Oriental other was it simply a question of political control Or were there deeper more enigmatic factors at play sexuality existential affirmation even utter idiosyncrasy How various and diverse was the Western response to the East can we discern degrees of sympathy knowledge and difference in the various Orients offered to us by

the canonical and non canonical figures of 18th century English letters Baktir s study provides answers to many aspects of these questions through a detailed examination of very different texts Baktir does not completely reject Said s argument that European writers created a separate discourse to represent the Orient rather he shows us that there was also a dialogic and negotiating tendency which did not make a radical distinction between the East and the West Relying his argument on 18th century pseudo oriental letters oriental tales and oriental travelogues Baktir demonstrates that the representation of the Ottoman Orient in 18th century English literature differs essentially from earlier centuries because a developing critical and liberal spirit established a negotiation between the two worlds In this book he indicates how the critical and inquisitive spirit of the age of Enlightenment interanimated Oriental and European cultures English Literature in Context Paul Poplawski,2017-05-18 This is the second edition of English Literature in Context a popular textbook which provides an essential resource and reference tool for all English literature students Designed to accompany students throughout their degree course it offers a detailed narrative survey of the diverse historical and cultural contexts that have shaped the development of English literature from the Anglo Saxon period to the present day Carefully structured for undergraduate use the eight chronological chapters are written by a team of expert contributors who are also highly experienced teachers Each chapter includes a detailed chronology contextual readings of selected literary texts annotated suggestions for further reading a rich range of illustrations and textboxes and thorough historical and literary overviews This second edition has been comprehensively revised with a new chapter on postcolonial literature a substantially expanded chapter on contemporary literature and the addition of over two hundred new critical references Online resources include textboxes chapter samples study questions and chronologies *The Longman Anthology of British Literature* David Damrosch,Clare Carroll,Constance Jordan,2002-08 Volume 1B The Early Modern Period of The Longman Anthology of British Literature is a comprehensive and thoughtfully arranged text that offers a rich selection of major British authors throughout the Early Modern Period **Eighteenth-Century Women Poets and Their Poetry** Paula R. Backscheider,2005-12-31 Our sense of eighteenth century poetic territory is immeasurably expanded by this excellent historical and cultural study of UK women poets of the era Cynthia Wall *Studies in English Literature* This major work offers a broad view of the writing and careers of eighteenth century women poets casting new light on the ways in which poetry was read and enjoyed on changing poetic tastes in British culture and on the development of many major poetic genres and traditions Rather than presenting a chronological survey Paula R Backscheider explores the forms in which women wrote and the uses to which they put those forms Considering more than forty women in relation to canonical male writers of the same era she concludes that women wrote in all of the genres that men did but often adapted revised and even created new poetic kinds from traditional forms Backscheider demonstrates that knowledge of these women s poetry is necessary for an accurate and nuanced literary history Within chapters on important verse forms she sheds light on such topics as women s use of religious poetry to express

ideas about patriarchy and rape the important role of friendship poetry same sex desire in elegy by women as well as by men and the status of Charlotte Smith as a key figure of the long eighteenth century not only as a Romantic era poet Co Winner James Russell Lowell Prize Modern Language Association British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E. Ingrassia, 2009-10-30 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women s experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women s poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded **The Longman Anthology of British Literature, Volumes 1a, 1b & 1c Package** David Damrosch, Professor Christopher Baswell, Professor Kevin J H Dettmar, Heather Henderson, Professor of English Constance Jordan, Anne Howland Schotter, Professor of English William Chapman Sharpe, Jennifer Wicke, Clare Carroll, Peter J Manning, Stuart Sherman, Professor of English Susan J Wolfson, 2002-08-16 The Longman Anthology of British Literature is the most comprehensive and thoughtfully arranged book on the market Approaching literature from a broad cultural perspective the anthology offers a rich selection of fiction drama and poetry by major British authors The second edition of The Longman Anthology of British Literature includes key major additions of important works an expanded illustration program and new translation of Beowulf Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and one hundred illustrations show both artistic and cultural developments from the medieval period through the 18th Century Perspectives sections shed light on individual periods but are also positioned to link with surrounding works Companion readings provide additional context for and special insight into key readings
