In Search of Tiger Tom Callahan, 2007-12-18 Tom Callahan has written the seminal book on golfing great Tiger Woods Woods who has gone out of his way to protect his privacy has never allowed himself to get close enough to a writer to be properly examined on the page And as a consequence his fans know relatively little about him except what s divulged in quick tournament interviews or the scarce information parsed out on occasion by one of his handlers Which is to say we know next to nothing about one of the most famous people in the world Callahan commonly regarded as one of the best all round sports writers in the country has followed Tiger around the world of golf for more than seven years enjoying a certain access to the man and his family He even went so far as to travel to Vietnam to learn the fate of the South Vietnamese soldier who was Earl Wood s best friend during the war and his son s namesake Tiger is twenty years old when the book opens and twenty seven when it closes During those years Callahan covered Woods at all the Majors including the Masters the U S Open and the British Open culminating in Tiger s heart stopping race to make history by clinching the string of Majors affectionately nicknamed the Tiger Slam As the pulse of golf was measured by the curve of his swing Tiger made everyone s heart skip a beat as he attempted to win the Grand Slam a year later Along the way Tom Callahan hears from everyone who is anyone in the world of Tiger Woods including Phil Mickelson Jack Nicklaus David Duval Butch Harmon Ernie Els and of course Tiger s rather ubiquitous mother and father As much as we learn about Tiger how he sees himself in relation to the courses he plays on and the players he has learned from and competed with we also enjoy a bird s eye view of golf as it is now with Tiger on the scene and as it was for centuries before In Search of Tiger catalogs and dissects moments and influences in Tiger s guarded life and unprecedented career moments that unveil him his awesome drive and his enormous talent Tom Callahan has written a classic of its kind a book to rank with the best in its genre He has done what few have even attempted he has found the real Tiger Woods

natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction
