Colleges That Change Lives Loren Pope, 2012-08-28 The groundbreaking guide to the 40 best colleges you've never heard of colleges that will change your life Choosing the right college has never been more important or more difficult For the latest edition of this classic college guide Hilary Masell Oswald conducted her own tours of top schools and in depth interviews building on Loren Pope's original to create a totally updated more expansive work Organized by geographic region every profile includes a wealth of vital information including admissions standards distinguishing facts about the curriculum extracurricular activities and what faculty say about their jobs Masell Oswald also offers a new chapter on how students with learning disabilities can find schools that fit their needs For every prospective college student searching for more than football and frat parties *Colleges That Change Lives* will prove indispensable Fully revised and updated by education journalist Hilary Oswald *Colleges That Change Lives* remains the definite guide for high school students and their parents who are looking for more in their college education than football frat parties and giant lectures Building on the foundation of landmark author Loren Pope Oswald spent more than a year visiting 40 colleges speaking with students faculty and alumni to create these vivid and concise portraits Featuring a new introduction a new Required Reading section and a new chapter on learning disabilities the book is organized into five geographic regions Northeast South Midwest Southwest Northwest to make for easy browsing and urban suburban and rural campuses are all featured There's also an alphabetical index of colleges Each profile includes admissions standards as well as relevant statistics to make your decision easier including where the school ranks in post graduate grants and fellowships what percentage of students go on to graduate school or

further education distinguishing facts about the curriculum percentage of professors who have terminal degrees in their field even what activities are available to students and what they re likely to do on weekends *Inside American Education* Thomas Sowell,2010-05-11 An indictment of the American educational system criticizes the fact that the system has discarded the traditional goals of transmitting knowledge and fostering cognitive skills in favor of building self esteem and promoting social harmony Cool Colleges Donald Asher,2011-06-29 Fully revised since the first edition Cool Colleges covers the most exciting schools in the U S and Canada with a new chapter on eco schools an update on tuition free schools and the total low down on the so called top ranked schools Worth a look if you re headed for college or getting ready to apply San Diego Union Tribune Are you hyper intelligent Self directed A late bloomer Or just different Then you need a great school that will challenge nurture inspire and motivate you and Cool Colleges has got em It will also give you the scoop on What the Ivy league is and what it really wants Totally free schools including one where financial need is a requirement for admission Universities that don t give grades Schools that don t want your SAT scores Data on the highest and lowest paying majors The schools that graduate the most millionaires Men s women s and minority focused colleges Schools where you can design your own degree program A college where you can hike and camp your way to a degree A college that runs its own ranch on an 80 square mile campus Science and engineering schools where undergrads get their own labs The most competitive colleges including one that rejects 95% of applicants Campuses where students love to study even on Saturday nights Schools that offer programs in computer game studies comedy auctioneering special effects makeup and more Plus a link to the Web addresses for every college and university in the United States and Canada Cool Colleges is the resource for finding your dream school and gives you the edge you ll need to get accepted Debt-Free U Zac Bissonnette,2010-08-31 This book can save you more than 100 000 These days most people assume you need to pay a boatload of money for a quality college education As a result students and their parents are willing to go into years of debt and potentially sabotage their entire financial futures just to get a fancy name on their diploma But Zac Bissonnette is walking proof that this assumption is not only false but dangerous a class con game designed to rip you off and doom your student to a post graduation life of near poverty From his unique double perspective he s a personal finance expert at Daily Finance AND a current senior at the University of Massachusetts Zac figured out how to get an outstanding education at a public college without bankrupting his parents or taking on massive loans Armed with his personal knowledge the latest data and smart analysis Zac takes on the sacred cows of the higher education establishment He reveals why a lot of the conventional wisdom about choosing and financing college is not only wrong but hazardous to you and your child s financial future You ll discover for instance that Student loans are NOT a necessary evil Ordinary middle class families can and must find ways to avoid them even without scholarships College rankings are useless designed to sell magazines and generate hype If you trust one of the major guides when picking a college you face a potential financial disaster The elite graduate programs accept lots of people with non elite

bachelors degrees So do America s most selective employers The name on a diploma ultimately won t help your child have a more successful career or earn more money Zac can prove every one of those bold assertions and more No matter what your current financial situation he has a simple message for parents RELAX Your kid will be able to get a champagne education on a beer budget

Tackling College Admissions Cheryl Paradis,Faren R. Siminoff,2008-05-13 Every year millions of parents shepherd their teens through the arduous college admissions process They are bombarded with too much information and with destructive and pervasive college admissions myths *Tackling College Admissions Sanity Strategy Success* by Cheryl Paradis and Faren R Siminoff provides just what the college admissions doctor needs sanity perspective and common sense The racecourse to college admissions is littered with obstacles some anticipated some unexpected However with knowledge and a little humor virtually all teens can cross the finish line into that good fit college Paradis and Siminoff offer a simple two part approach to college admissions Part I shows parents how to become effective coaches through employing self and teen assessment and discarding the college myths Part II takes parents through the ins and outs of the college admissions process alerting them to potential hurdles and teaching them effective easy to implement strategies to overcome these

In! College Admissions and Beyond: The Experts' Proven Strategy for Success Lillian Luterman,Jennifer Bloom,2011-07-05 An award winning step by step guide to college admissions that helps students through every aspect of the application process and gives them a proven approach to make their application stand out from the rest Two expert college admissions consultants a mother daughter team share their step by step proven strategy for creating an application that stands out and gets you IN College admissions has never been more stressful Not only is admission ruthlessly competitive with more and more qualified students applying each year but the application process has become more confusing than ever before Most parents and students feel anxious overwhelmed and confused by the choices and trade offs In is based on the authors 20 years of experience working privately on boarding college and graduate school admissions with students from all over the world While there is no shortage of college admissions guidebooks on the market In offers students and their parents a crucial element that none of the others do a clear step by step strategy that helps students not only compete academically with other qualified applicants but also develop a defining interest in incremental attainable steps that distinguishes them from their peers and gives them an edge with college admissions officers This strategy is summed up in a four word phrase be alike but spike This means that the applicant must perform on par with other students applying to similar colleges while also working to stand out from the pack like a spike on a graph in one area Ironically it s often the well rounded student an ideal many applicants strive for who gets rejected In shows students how to create that distinction by identifying and layering their passion showcasing their interest in many different ways and circumstances Enlivened with instructive case studies as well as entertaining New Yorker cartoons this book carefully guides students through the application process showing them how to rise to the top of an applicant pool of thousands And unlike most books about getting in In s lessons do

not end at college acceptance Rather than viewing college admissions as a hurdle to be quickly and painlessly cleared mother daughter team Luterma n and Bloom present it as an opportunity for students to mature expand their horizons and discover what makes them tick Not only does this book get you in it gives teenagers the tools and confidence they ll need for future success Be Alike How to optimize your GPA standardized tests extracurricular activities and more Spike How to develop a unique area of distinction that makes you stand out from your peers How to create a winning college application including personal essays activity chart letters of recommendation and more How to choose the right college for YOU and how to prepare to attend and afford your top choice school **B+ Grades, A+ College Application** Joie Jager-Hyman,2013-07-23 This alternative college guide from a former Dartmouth assistant admissions director turned consultant gives non straight A students advice on the many options available to them and tips on how to identify gain admittance to and pay for the schools that will allow them to flourish Less than perfect grades No problem Contrary to popular opinion you don t need to have a 4 0 GPA or a perfect jump shot to get into a good college This insider s guide reveals easy tweaks that will pay off big time in showing admissions officers that you as a whole not just your SAT scores are a perfect fit for their incoming class With stellar advice on getting into schools that will allow you to thrive this handbook reveals how to Find great colleges that are a good match for your strengths and will overlook less relevant weaknesses Painlessly beef up your application Tailor extracurriculars to showcase your uniqueness Make sure your recommendation letters emphasize the right qualities Write original essays that reveal traits beyond your transcript Make an impression on admissions officers and college interviewers Create an early admissions strategy to increase your likelihood of acceptance Help your chances if you re deferred Get into brand name schools through the side door Communicate about learning disabilities or special circumstances Get scholarship money based on attributes other than grades Customize your financial aid strategy **BONUS** Includes an appendix of 130 selective colleges to consider **14 Rules for Becoming a Smart College Shopper** Robert Ronstadt,2010-09-05
