T. Fann,2020-02-27 Composed more than twenty five centuries ago Laozi's Dao De Jing is the first known philosophy book in human history and the only surviving record of pre historical matriarchal thought Extolling the feminine virtues and warning against the advent of science and technology Laozi's philosophy is the best antidote to the ills of modern life It will provide inspiration to environmentalists feminists pacifists and anyone questioning the status quo A

must read for Daoist scholars philosophy students Chinese learners and anyone interested in Daoism This book consists of three parts In the first part the author introduces the novel idea of reading Chinese characters in English Unlike all other major written languages which are alphabetical Chinese written language known as the Han script consists of ideograms that can be read by anyone in their own mother tongue It has already been used for centuries as the common means of communication for Eastern peoples The time is ripe for introducing a universal script for the computer age this book is a part of the author s effort to promote this idea by giving an example The complete text of Dao De Jing is given and under each Chinese character is an English equivalent So when you read this book don t treat it as a literal translation but try to recognize the characters so that when you come to the end of the book you may be able to read the text without looking at the English The second part gives the author s English translation on the facing pages line by line so that you may compare it with the original The third part contains commentaries explaining the author s corrections of the text based on recently unearthed old texts His radical interpretation of some key passages are also included The book concludes with a fascinating account of the meetings and friendship between Confucius and Laozi *A Sense of Place* Daniel A. Kriesberg, 1999-03-15 Celebrating nearby nature and the marvels of our own backyards this book helps you introduce children to the world around them With quality children s literature and simple activities you can cultivate a child s sense of wonder and joy and teach him or her the importance of living in harmony with nature These projects span the curriculum and are presented in reproducible format so they re easy to use Highlighting the five senses sight sound smell taste touch they build connections between students and the land and create in young learners a sense of place a true necessity for living in the world today Grades K 6

Reading the Seasons Germaine Leece, Sonya Tsakalakis, 2021-03-30 It s an old cliché that books transport you but as any avid reader will tell you there s far more to them than that Alongside comfort and retreat books offer insight into ourselves and others they tell us how the world is was or might be they are windows into other worlds whose meanings resonate through the ages It s this multiplicity that is at the heart of bibliotherapy the ancient practice of reading for therapeutic effect Reading the Seasons charts the evolution of a friendship through candid letters between bibliotherapists Germaine Leece and Sonya Tsakalakis Ignited by a shared love of reading of finding a book for every occasion every emotion both for themselves and for their clients their conversations soon confront life s ups and downs The authors they reach for range from Stephen King to Javier Marias Helen Garner to Maggie O Farrell as they reflect upon loss change parenting careers simple pleasures travel successes fears and uncertainty Reading the Seasons not only offers an entryway to new titles but affirms the power of books to console heal and hold us together as friends and as individuals **Amazon Adventure** Layne DeMarin, 2011-01-08 Amazon Adventure features animals and plants that live in the rain forest It also explores the ways people use rain forest resources
