Looks Smiles:

Heromaker G.B. Chavez, 2024-04-03 Ezekiel Amadeus is the eldest of nine children all raised by a single mother and tends to show total independence a lot younger than expected An enigmatic change in his body compared to his fellow teenagers and a past life he cannot remember he rises to prove himself capable of standing up for those he wishes to protect Hildegard is an orphan raised by an abusive aunt who wishes to one day become a singer and actress But the more she learns about her parents the more of a target she becomes But when things get tough she will do what she can to stand up for herself Cadence is an incredibly intelligent yet shy young woman who has ideas to advance humanity's understanding of science all the while a stranger to true affection And yet beyond going through school they encounter more than what most people know Secrets such as an underground nation comprised of Neo Nazis the mysterious society of the Knights of the Peace Equation the experimental city of Mega among the fate of the race of Elfs among other mythological creatures About the Author About the time he reached middle school G B Chavez began thinking of ideas for a television series he'd wish to someday create By the time he graduated high school in 2019 he had begun to reinvent the story upon realizing how much of a challenge it would be but still wished to get a version of the story out In March of 2021 Chavez began to write *Heromaker* A British Story Written By An American which he plans to eventually be the first installment of an extensive series of books surrounding the main protagonist's Chavez has always had a fascination with culture affiliated with the United Kingdom which has stemmed from watching Peter Pan as a child This fascination is not only what inspired for this story to take place in the United Kingdom but has him wishing to one day travel to the European nation **Smile and Look Pretty** Amanda Pellegrino, 2022-03-08 A 9 to 5 for the Instagram generation Darkly funny and biting modern Andrea Bartz author of Reese's Book Club Pick *We Were Never Here* HIGHLY ANTICIPATED BY FORTUNE FEMINIST BOOK CLUB THE NERD DAILY BOOKISH MOTHERLY What happens when four assistants risk everything to say enough is enough Best friends Cate Lauren Olivia and Max are overworked and underpaid assistants to some of the most powerful people in the entertainment industries Like the assistants who came before them the women know they have to pay their dues and abide the demeaning tasks and verbal abuse from their bosses in order to climb the ladders to their dream jobs But as they are passed over for promotions and the toxic office environments reach a breaking point the women secretly start an anonymous blog detailing their experiences which snowballs into hundreds of others coming forward with stories of their own Confronted with newfound viral fame and the possibility of their identities being revealed the assistants have to contend with the life-changing consequences of speaking out against those who refuse to share the power [The Key](#) Madysen Long, 2022-07-29 *The Key* By Madysen Long The year is 2088 and the world is different A war killed most of the population and took many of the communities One community was able to survive and rebuild after the war this community is called Nova In it lives a seventeen-year-old girl Kaia Five months ago Kaia lost her parents to a factory fire She starts to be drawn to a necklace that
