Love Thy Customer Creating Delight Preventing Dissatisfaction And Pleasing Your Hardest To Please Customer:

Love Thy Customer Rick Brinkman, Rick Kirschner, 2006 Two bestselling authors deliver proven tactics for exceptional customer service in today's consumer driven market **Two Factor Theory of Customer Service** DAVID L. ELWOOD, 2013-12-18 In the *Two Factor Theory of Customer Service* author David L Elwood nudges the entire field of customer service toward becoming a professional discipline Customer service is not a casual do it if you think of it aspect of business customer service is a real business product that stands beside the primary product of every business enterprise it is inescapable and it is inextricably tied to profits Elwood uses easy to follow ideas that open the door to fresh persuasive perceptions of the fundamental dimensions of customer service events accessible emotional temporal informational solutional aptitudinal and relational The essence of Elwood's message is that the more clearly and deeply one understands customer service events the more effective he or she will become at delivering customer service straight to the customer And as powerful empirical research findings have shown delivery of Superior Customer Service goes hand in hand with superior profits The *Two Factor Theory of Customer Service* will delight everyone looking for a systematic approach to understanding and classifying the seemingly unending differences found in published examples of Superior Customer Service and it will brighten the pathway for each provider seeking to increase profits Without question you ARE in the customer service business the only question is whether you are doing it well Want a quick read at the airport terminal that'll entertain more than transform *Two Factor Theory of Customer Service* isn't it Elwood skips the clichés while delivering a perfect balance of theory and immediate application that will change how you see your customers and more importantly how your customers will see you again and again and again Jay Martinson Ph D Chair Communications Department Olivet Nazarene University
