Awful Beautiful Life Becky Powell,Katherine Reay,2019-12-03 A gripping story of grace faith and triumph for a woman whose world shattered hours after her husband's suicide Becky Powell faced the unthinkable on May 16 2013 Her husband Mark called and said I've done something terrible Within hours she learned that he had taken his own life and over a period of several years millions of dollars from friends and colleagues Everything she believed to be true the very fiber of her marriage was called into question Within a week rather than planning carpool runs and volunteer fundraisers she owed almost one hundred creditors millions of dollars and had her own team of ten lawyers She was also the subject of open FBI SEC and DOJ investigations and faced potential criminal charges And although she instantly denounced every cent of Mark's 15M in life insurance and promised to repay every penny taken her lawyers knew that in reality she faced years of court battles and lawsuits and possible jail time Yet from that first horrific moment God was there He showed up in His Word in Becky's friends in her lawyers and in the generosity of those around her He worked miracles CNBC the Wall Street Journal Forbes and others covered the first moment but what about the last What about the story in which God gives your next breath because you can't find it on your own What about the story of a mom and three kids trying to make sense of their pasts present and future while living under a microscope Awful Beautiful Life is Becky's journey through the two years surrounding Mark's death and how she overcame It came down to a loving God who surrounded her a present and dedicated family and friends who made her life offered her sanctuary and showed up for her and her kids in tangible ways This is a story of remarkable grit strength and what the Body of Christ in action looks like
