willing to experience is a vital spiritual practice that rewires our brains and how we think which has a positive impact in the realities of our lives and ultimately shifts our beliefs about ourselves and about our lives Next time you catch yourself talking about yourself to yourself or to other people stop yourself in the tracks and ask yourself if what you are saying is what you want to experience or if it is empowering and uplifting

A Dream and a Prayer Frederick L Sanders, 2011-10-14 A Dream and a Prayer One Mans Journey is the refreshing of my spirit through prayer and meditation I am alone and lost in a cold dark world with no place to turn except to the author and finisher of life its self I am seeking relief and comfort while trying to open my heart to a new life of perfect love through Jesus Christ These poems are the beginning of a once lost hope for a bright future I am exploring myself and the means to change the tattered and torn wretch of a man that I had become I can only hope that my life experiences strengths weakness successes and failures help others to reach out and take hold of their lost dreams and make them into a reality
