Love Your World:

Meditation Kelly Chance Beckman,2011 **And God Answered....** Rod Guerrero,2013-11 We often allow ourselves to get defeated in sadness depression despair loneliness and ultimately self destruction These are terrible places to be But there is a way out of those places and that is through God s love and trust along with belief in yourself In *And God Answered* author Rod Guerrero offers a discussion of how to turn negative thoughts into positive energy Presented as a back and forth conversation between Guerrero and God this study provides a serious and thoughtful discussion of topics relevant to the lives of all beings that inhabit and share our world Guerrero maintains that to be mired in negativity is an exhausting waste of energy and that life is meant for joy and not struggle We can fill our lives with love peace and prosperity by building on the inexhaustible supply of love that exists in all of us You can unleash that authentic power within you and set yourself free Including original poems *And God Answered* communicates that any negativity can be bridged over to the positive by stilling your thoughts and communing with God to redirect your thoughts and create as you desire **Power Coupling** Katherine McClelland,2019-09-03 An experienced partnership coach takes readers on a journey from practical tools for balancing life and love to discovering their inner power and passion Katherine McClelland has spent decades coaching individuals and couples toward living the lives of their dreams Now in *Power Coupling* she shares a step by step guide to help readers bring balance to their personal and professional lives while igniting their inner passions These tools and ideas help readers get in touch with their true sources of power so they can derive strength from their partnerships even in times of strain or crisis Within *Power Coupling* readers learn The 3 critical principles successful people use to make their efforts powerful and efficient Strategies for patient and kind communication in any role or setting How to focus on one area of life at a time while staying connected to all the things that matter most And so much more Trailblazers 4' 2006 Ed. , **Virtue Ethics, Old and New** Stephen Mark Gardiner,2005 There are grounds for saying that contemporary work in virtue ethics is if not quite in its theoretical infancy at least not far out of diapers And this suggests that we should be gentle and nurturing allowing it time to flourish before coming to any definitive verdict on its merits However it is hard to deny that modern day virtue ethics is part of a long sophisticated and fairly continuous tradition Not only does the approach have origins almost as ancient as philosophy itself but its history also includes extensive work by such philosophical luminaries as at least Socrates Plato Aristotle the Stoics Aquinas and perhaps Hume and Nietzsche And this suggests that we should already be in a good position to assess its appeal from the Introduction In *Virtue Ethics Old and New* ten philosophers seek to enrich the contemporary understanding and development of virtue ethics through a detailed examination of some key contributions from its past Their essays demonstrate the continuing relevance of the history of moral philosophy to contemporary debates *Cogito* Antoine Bacha,Liliana Franco,2007-08 While in captivity by Palestinian terrorists Antoine began hearing what he described as a loving caring voice that showed him to rise above his terrible pain and misery by connecting to his creator s spirit The voice

also told him among other things that he would meet an unusual woman who would share in his spiritual journey He did not know that the woman would also experience the very same kind of intuitive lessons from the voice as he did Inspired by the loving spirit of the voice that speaks through both of them Antoine and Liliana now share that message with the world Their journey takes them from the horrible imprisonment by cruel terrorists through the anxieties we all face in everyday life into an ongoing journey toward spiritual liberation

From Scapegoats to Lambs Charles L. Brown Jr.,2021-07-21 Unlike so many murders of unarmed black and brown bodies by police officers the viral video recording of George Floyd s modern day lynching set into motion a Kairos moment in time the impact of which is still being felt over a year later How Why did God usher in this season of transformation now Can God s Word teach us how to reverse engineer communal violent scapegoating What role can each of us play to eradicate police brutality

From Scapegoats to Lambs How God s Word Speaks to George Floyd s Murder audaciously confronts these issues stemming from Charles L Brown Jr s unflinching belief that God s Word is uniquely qualified to preach to and through the legacy of the suffering of black and brown bodies and that the Lord has a way of humbling the powerful and empowering the humiliated In adopting what he calls hood hermeneutics Brown joins the ranks of a growing number of unapologetic black Christian intellectuals unashamedly challenging the Church to mine the text with ferocious passion until it speaks compellingly to the struggle of those violently scapegoated
