Lovegrove's Guide to Britain's North Sea Oil and Gas Martin Lovegrove,1981 **Performance Profiles of Major Energy Producers** ,1986 **Offshore Information Guide** Arnold Myers,Diana J. Edmonds,Karen Donegani,1988 **Oil Investment in the North Sea** Carlo A. Favero,M. Hashem Pesaran,1991 **Macmillan Directory of UK Business Information Sources** James Tudor,1992-09-15 The objective of this publication is to provide a one stop guide to business information insofar as that is possible within the confines of a useable book It aims to give guidance on both the published and organisational sources relevant to the needs of the non professional business researcher and provides a listing of worthwhile references and contacts As previously the Directory is organised so that both published sources and information centres are grouped together under their applicable Standard Industrial Classification SIC number and heading This new edition also incorporates NACE classification and correlation tables The second category again includes those UK and pan national organisations which focus on specific discrete industry sectors which limits the number of organisational sources in the directory to those that are most worthwhile **Walford's Guide to Reference Material: Science and technology** Albert John Walford,Library Association,1996 **Behind the Mask** John Paterson,2017-11-01 This title was first published n 2000 The most recent developments in occupational health and safety regulation in the UK s offshore oil industry represent a departure from traditional legal forms But how should they best be understood and what advantages do they offer over the previous regulatory approaches Informed by autopoiesis theory this study takes seriously the notion of an empirical field constituted by diverse communicative systems and thus traces the development of the industry along a series of dimensions including those of management and engineering as well as of politics and regulation Adapting cognitive mapping the book offers graphic demonstrations of the resultant constructive misunderstandings of regulatory and scientific signals and accordingly an alternative perspective on the nature of risk The latest regulatory developments are shown to possess the potential to address these issues but only insofar as they are understood as distinct from previous legal forms and in particular as an example of reflexive law **Oil's Contribution to UK Self-sufficiency** Colin Robinson,Eileen Marshall,1984 **The Market for North Sea Crude Oil** Robert Mabro,1986 In light of the North Sea s major role in today s world petroleum market these essays examine the structure of the market the international framework and tax regime the function and mechanism of forward dealings and price behavior **Petroleum Exploitation Strategy** Derek Fee,1988 **The Petroleum Economist** ,1984 **Macmillan Directory of Business Information Sources** James Tudor,1989-06-18 This is a three in one compendium of sources and resources which draws on more than a decade of experience in sourcing and analyzing market and business information It covers over 1000 key sources and highlights the best buys **Natural Gas in the UK** Jonathan P. Stern,1986 **The Transfer of International Technology** David J. Jeremy,1992 The rise of science the dominance of big business and the professionalization of the knowledge of industries have changed the conditions under

which technology transfers may be effected These developments commencing in the nineteenth century have accelerated in the 20th This book focuses on particular technologies whilst examining aspects of the dimensions of transfer obstacles vehicles circumstances of adoption modification reverse flows The cases include motor vehicles heavy chemicals synthetic rubber petroleum computers and textiles Of special interest are the studies of technologies exported from Japan to her neighbours and to the West The book makes an important contribution to the study of international technology transfer in the twentieth century

Current Bibliography of Offshore Technology and Offshore Literature Classification Arnold Myers,1984 **England** Alan Edwin Day,1993 **Gas Engineering and Management** ,1983 **Current British**

Directories ,1985 A comprehensive guide to the local trade and professional directories of the British Isles **North Sea Oil and Scotland's Economic Prospects** T. M. Lewis,I. H. McNicoll,2017-09-11 This book originally published in 1978 concentrates on the structure and growth of the North Sea oil industry in Scotland Drawing on relevant areas of economic theory it examines the structure of the offshore Scottish oil industry the employment generated by the industry technological change created by oil and its impact on rural areas of the Highlands For each subject discussed future developments are discussed which remain as pertinent today as when the book was first published particularly given the issues surrounding Scotland s economic in relation to possible Scottish independence **Bibliographic Guide to Business and Economics** New York Public Library.
