A notion of the tablature, or Judgment of Hercules. A Letter concerning Design** Anthony Ashley Cooper Earl of Shaftesbury,1749 *Characteristics* Anthony Ashley Cooper Shaftesbury (3rd earl of),1749 *Shakespeare and Philosophy* Raymond Angelo Belliotti,2012 This book is an interdisciplinary work that weaves literary interpretation legal theory and philosophical doctrine about sex and love into a coherent mosaic in the context of two of Shakespeare s plays *The Merchant of Venice* and *Measure for Measure* In the process the work advances literary interpretations of the plays including character studies of some of the main protagonists The aim is partly theoretical but mostly practical to demonstrate what we can learn about living a robustly meaningful and significant human life by taking Shakespeare s work seriously from contemporary philosophical and legal vantage points Shakespeare does not reveal a tightly defined moral system that he is trying to urge upon his audience Instead Shakespeare challenges his audience to struggle with moral complexity as they confront conflicting elements surrounding legal and moral issues presented in his work and within the souls of his characters His issues and their conflicts are also ours Much of Shakespeare s work consists of raising weighty questions inextricably connected to the human condition and inviting his audience to ponder possible answers The philosophical lessons about living our lives meaningfully and significantly that we can derive from Shakespeare are simple yet powerful **LOVE BECKONS** Gayle DeGuzman,2022-11-22 Carla Watson was devotedly in love with Brian but his cousin Kevin was smitten with her and wanted to marry her Brian and Carla were both chasing their dreams love had to be set aside A freak accident trapped her with Jake an engineer in an elevator in the basement for 18 hours Jake proposed marriage even without love to
