in your life accidentally but have been designed as potential divine encounters before you were ever born according to Ephesians 2:10 We were made to be relational and he has called us to be God with skin on to impact the world around us Are we looking for those opportunities or just making it through our day without giving or getting the blessings he has planned for us and those in our lives It's part of who you are and what he created you to be Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **The Longest Half Inch** Russ Seel, 2022-06-24 May you feel the love presence and tranquility of God and may your love relationship with Him continue to grow throughout your life and beyond A key question What has God designed and placed us on this earthly journey to learn and or do Are your my heart and action true to that calling If so are we being faithful to becoming what God created each of us individually to be All is well Remember God's words to His disciples This kind goes out but through prayer and fasting Always say All is well Long though the way may seem there is no too much by half God is not only with you on the journey He planned it and is planning it There are and will be unspeakable joys on that journey look for them Courage Courage Courage Why are we so blind as to think earthly life is all there is Why do we ignore the immense treasure of love What does it take to understand and make it so

The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians Learning to Love Others Richard Peace, 2015-04-28 At the heart of Jesus call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It's not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it's the source of our greatest joy This study will help you love others the way Jesus desires You'll learn how to study the Bible as you

Christianity as a Way of Life Kevin W Hector,2023-09-05 Focusing on Christianity s core practices a leading theologian imagines Christianity as a way of life oriented toward wisdom A Seminary Coop Notable Book of 2023 In this book Kevin W Hector argues that we can understand

Christianity as a set of practices designed to transform one's way of perceiving and being in the world Hector examines practices that reorient us to God imitation corporate singing eating together friendship and likemindedness that transform our way of being in the world prayer wonder laughter lament and vocation and that reshape our way of being with others benevolence looking for the image of God in others forgiveness and activism Taken together the aim of these practices is to transform one's way of perceiving and acting in the face of success and failure risk and loss guilt and shame love and loss of control These transformations can add up to a transformation of one's very self To make sense of Christianity as a way of life in turn these practices must be understood within the context of Christian beliefs about sin Jesus redemption and eternal life Understanding them thus requires a systematic theology which Hector offers in this clear eyed ambitious and elegant interpretation of the Christian tradition

Carolyn Fallis Hale A must read for all spouses to improve their loving relationships Syeda Syed *The Love of God* Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the *Theology in Community* series will promote clear sound thinking about what Scripture means when it

There is no better message of wisdom than a lesson that has been tried and tested **Human Nature and Other Sermons**
Joseph Butler,1887 *Total Surrender* Matthew Terrill,2014-04-28 Why is it such a struggle for us to surrender everything
to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life
that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in
life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can
walk through this dark unfair world shinning and burning brightly for Jesus Wanting control over our lives is the struggle
that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but
few actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves
into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly
live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus **You Can Master Your Fear**
Magdalena Scopelitis,2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between
you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings
unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear
away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into
love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest
part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is
transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you
will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give
back to you your love the most precious gift you ever had **The wonderful pocket, and other stories** Chauncey
Giles,1870 **Voice, speech and gesture, by H. Campbell [and others] ed. by R.D. Blackman** Voice,1895 *Short*
and Sweet LeeAnn Mott,2019-11-13 Many Christians spend a lifetime trying to figure out God s will for their lives What
career should I choose Where should I live Whom should I marry God has told us his will for our lives to be conformed to the
image of His Son Romans 8 29 Paul explains We are to put off the old self and put on the new self created to be like God in
true righteous and holiness Ephesians 4 24 We cannot become more Christ like in our own strength though Paul says the key
is a renewed mind to be made new in the attitudes of your minds Ephesians 4 23 We exchange our patterns of thinking with
God s Word We fill our mind with Scripture and slowly we are transformed Learning to think like Jesus helps us to act like
Jesus This is where Bible memorization comes in We need to get God s Word into our heads and into our hearts When I feel
resentful and unforgiving toward my friend who betrayed me and am tempted to end our relationship I replace my thoughts
and hurt feelings with Hebrews 13 1 Keep on loving each other as brothers When I start to worry about my upcoming

surgery or my children's college fund I remind myself We live by faith not by sight 2 Corinthians 5:7 God's Word is living active and powerful Having these verses in my mind and heart helps me to choose new Christ-like behavior Here are fifty-two short Bible verses Memorize one verse a week Meditate on it daily By the end of the year you will see the transformative power of God's Word in renewing your mind and changing your behavior As you are increasingly conformed to the image of Jesus you will have the privilege of reflecting his love to the world
