

The background of the book cover is a romanticized, painterly illustration of a winter scene. In the upper right, a woman with long, dark, flowing hair is shown in profile, looking towards the left. She wears a black cloak over a light-colored, possibly white or cream, dress. In the lower left, a man with a beard and mustache is riding a dark horse. He is wearing a dark blue or black coat with a white cravat and a black tricorn hat. The setting is a snowy forest with tall, thin trees and a path leading into the distance. The overall color palette is dominated by cool blues and whites, with a warm, golden light emanating from behind the woman, suggesting a sunrise or sunset. The title 'LOVERS, PATRIOTS AND SCHEMERS' is written in a large, dark blue, serif font across the center of the image.

The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1899 **Bearing Witness** Wendy Griswold,2000-06-19 Greed frustrated love traffic jams infertility politics polygamy These together with depictions of traditional village life and the impact of colonialism made familiar to Western readers through Chinua Achebe s writing are the stuff of Nigerian fiction Bearing Witness examines this varied content and the determined people who against all odds write publish sell and read novels in Africa s most populous nation Drawing on interviews with Nigeria s writers publishers

booksellers and readers surveys and a careful reading of close to 500 Nigerian novels from lightweight romances to literary masterpieces Wendy Griswold explores how global cultural flows and local conflicts meet in the production and reception of fiction She argues that Nigerian readers and writers form a reading class that unabashedly believes in progress rationality and the slow but inevitable rise of a reading culture But they do so within a society that does not support their assumptions and does not trust literature making them modernists in a country that is simultaneously premodern and postmodern Without privacy reliable electricity political freedom or even social toleration of bookworms these Nigerians write and read political satires formula romances war stories complex gender fiction blood and sex crime capers nostalgic portraits of village life and profound explorations of how decent people get by amid urban chaos Bearing Witness is an inventive and moving work of cultural sociology that may be the most comprehensive sociological analysis of a literary system ever written
