Loves Golden Circle:

Love's Golden Circle Margaret Maitland,1978 **Love's Golden Circle** Alice Rogers Hager,1962 Lisa and a friend must work for a year after high school to earn money for college She decides to start a service to help the elderly and finds treasured relationships with them that help her succeed and mature She also realizes how much her boyfriend means to her

A Compilation of My LOVE POEMS R. O. N. S. KING,2010-04-16 This book is a Compilation of most of my poems and saved for posterity This is Volume One with Volume Two to follow *Masque of the Three Loves* James George

Jennings,1902 *War; or, What happens when one loves one's enemy* John Luther Long,2021-04-11 In *War or What happens when one loves one's enemy* John Luther Long presents a poignant exploration of love and conflict during tumultuous times This narrative is marked by its vivid prose and emotional depth intertwining personal sacrifice with broader socio political commentary Long employs a unique style that blends romantic idealism with stark realism forcing readers to confront the complexities involved when personal affection collides with the harsh realities of war Set against the backdrop of the Spanish American War the text serves as both a personal reflection and a broader critique of the dichotomy between love and enmity John Luther Long an author and playwright known for his keen observations of human emotion was profoundly influenced by the socio political climate of his era His experiences as an American during a time of imperial conflict undoubtedly shaped his moral inquiries into the nature of love duty and the consequences of war both on the battlefield and within the human heart This background provides a rich context for understanding the nuanced portrayals of character relationships in the book This book is an essential read for anyone interested in the intersections of love morality and the impacts of conflict on personal integrity Long's work challenges readers to reconsider their notions of enmity and affection making it a poignant addition to the conversation around the human condition in times of strife **Venus and the Arts of Love in Renaissance Florence**

Rebekah Compton,2021-03-11 In this volume Rebekah Compton offers the first survey of Venus in the art culture and governance of Florence from 1300 to 1600 Organized chronologically each of the six chapters investigates one of the goddess's alluring attributes her golden splendor rosy hued complexion enchanting fashions green gardens erotic anatomy and gifts from the sea By examining these attributes in the context of the visual arts Compton uncovers an array of materials and techniques employed by artists patrons rulers and lovers to manifest Venusian virtues Her book explores technical art history in the context of love's protean iconography showing how different discourses and disciplines can interact in the creation and reception of art *Venus and the Arts of Love in Renaissance Florence* offers new insights on sight seduction and desire as well as concepts of gender sexuality and viewership from both male and female perspectives in the early modern era *Love, Stargirl* Jerry Spinelli,2007 Still moping months after being dumped by her Arizona boyfriend Leo fifteen year old Stargirl a home schooled free spirit writes the world's longest letter to Leo describing her new life in Pennsylvania *Love's cure; or, The martial maid. The tragedy of Thierry and Theodoret. The woman-hater. The nice valour; or, The passionate madman. The honest man's fortune. The masque of the Inner-Temple and Gray's Inn; Gray's Inn and the Inner-Temple. Four plays, or moral representations, in one Francis Beaumont, John Fletcher, 1811 The Way Home to Love Maresha Donna Ducharme, 2017-08-01 The Way Home to Love interprets the sacred mysteries and esoteric principles of spiritual understanding It also explores the themes of personal practice in consciousness and how one can find the keys to inner peace If Jesus Buddha Krishna Muhammad and the Divine Mother were to meet in conversation what would each think of the others spiritual points of views Maresha has been engaged in a decades long dialogue between the many comparative traditions and distills the essence of unity and understanding held within the heart of all spiritual traditions Composed in a state of meditative awareness and clarity Maresha explores the intersection of what is universally sacred and how to find within oneself this wellspring of love and peace This book is designed to help the reader to successfully reveal the peace that dwells within ones own heart This body of teaching transcends religion by extracting the essential spiritual truths that are the foundational guide to the power of personal transformation The talks and spiritual teachings in this book were given at gatherings and retreats for spiritual students and seekers at Snow Dragon Sanctuary Each one is an inspiration reminding us how to live a conscious life Each one helps us to remember the true nature of love and the guiding principles of spiritual living how to be peaceful beautiful and more deeply connected to God and how to sustain and nurture our faith **The English in Love** Claire Langhamer, 2013-08-22 Love has a history It has meant different things to different people at different moments and has served different purposes This book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles To the casual observer this era was a golden age of marriage More people married than ever before They did so at increasingly younger ages And there was a revolution in our idea of what marriage meant Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction Romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure Scratching beneath the surface of the apparent golden age of marriage Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period It is a tale of quiet emotional instability persistent subversion and unsettling change At its end the idea of life long marriage was in serious decline And as Langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself

A Natural History of Love Diane Ackerman, 2011-06-01 The bestselling author of *A Natural History of the Senses* now explores the allure of adultery the appeal of aphrodisiacs and the cult of the kiss Enchantingly written and stunningly informed this audaciously brilliant romp through the world of romantic love Washington Post Book World is the next best thing to love itself
