Love's Fire: Seven New Plays Inspired by Seven Shakespearean Sonnets , *Love's Fire* Acting Co.,1998-06-03 The greatest love poetry in the English language provides the springboard for master playwrights never before published works about the triumphs and tragedies of the heart The sonnets and plays in *Loves Fire* are the seeds and fruit of an extraordinary project seven sonnets by Shakespeare newly envisioned for the stage in one act plays by seven brilliantly gifted contemporary playwrights Shakespeare s sonnets of romantic and sexual love are timeless for they are not bound to any particular setting or to either sex These seven plays each paired with the sonnet that inspired it are startling not only in the variety of their mood content and setting but also in their unusual interpretation For example Wendy Wasserstein s version of Sonnet 94 is a one act play set in the Hamptons where a well to do couple is getting ready for a society benefit Eric Bogosian creates a story of sexual jealousy and obsessiveness from Sonnet 118 and composer William Finn has transformed Sonnet 102 into a song about an artist attempting to paint his lover and failing These seven new works commissioned and produced by the Acting Company will be performed in June Brought together in this slender volume with the sonnets they form a unique tribute to Shakespeare a rich and marvelously entertaining celebration of the modern playwrights adoration of the Bard

Understanding Marsha Norman Lisa Tyler, 2019-09-13 Best known for her Pulitzer Prize winning play *night Mother* and her acclaimed adaptations of *The Secret Garden* and *The Color Purple* for musical theater Marsha Norman has produced an impressive oeuvre that includes not only works for the stage but also a novel and several television screenplays The first book on the Louisville born writer in twenty years *Understanding Marsha Norman* introduces readers to her life and work while making a persuasive case for her preeminence among America's leading dramatic artists Following a biographical introduction the book examines such early plays as *Getting Out Third* and *Oak and Circus Valentine* which according to the playwright herself taught her the skills she needed to write her more successful works most notably the much lauded two character drama *night Mother* which centers around an apparently rational young woman's choice to commit suicide Subsequent chapters examine Norman's underrated novel *The Fortune Teller* and three mid-career plays that rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including *Trudy Blue 140* and *Last Dance* acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as *Law and Order Criminal Intent* and the Peabody winning HBO series *In Treatment* signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity
