Loves Windswept Embrace:

Love's Windswept Embrace Michalann Perry,1990 *In the Evening, We'll Dance: A Memoir in Essays on Love & Dementia* Anne-Marie Erickson,2025-08-20 How does a loving committed marriage survive the effects of dementia In her deeply personal and daringly original memoir Anne Marie Erickson lays bare the onset and eventual passing of her husband from dementia Her writing is multidimensional poetic as it weaves together fragments of word origins mythologies and Biblical passages Infused with the author s love and compassion this compelling memoir pierces the mysteries of living and dying Yes it s much about her husband s tragic affliction but it also moves beyond that to where we can gain invaluable lessons on how to love and endure in the face of a debilitating illness **Fragrance Of love** Rehana Zehra,2023-10-08

Fragrance of love is a powerful thing It can make you feel happy sad or even nostalgic It can transport you to a different time and place And it can remind you of someone you love I remember the first time I smelled the fragrance of love I was walking down the street and I caught a whiff of something so sweet and intoxicating I followed the scent until I found its source a young couple walking hand in hand and laughing I stood there for a moment just watching them They were so in love and it showed in their every gesture The way they looked at each other the way they touched each other the way they laughed together It was all so beautiful And then as if they could feel my eyes on them they turned to look at me And in that moment I knew what love was It was the feeling of being completely and utterly at peace It was the feeling of being home It was the feeling of being loved I smiled at the couple and they smiled back And then I turned and walked away carrying the fragrance of love with me I have never forgotten that moment And I will never forget the fragrance of love *The Wind-swept Wheat* Mary Ainge De Vere,1903 **Touched by Fire** Michalann Perry,1991 **Love's Captive Heart** Phoebe Conn,2017-12-26

Love You Dead Max Houdek, 2016-12-05 Nuzzled deep in the backwoods of Maine the town of Loganville has existed in relative peace and quiet since America's inception But like every small town there are secrets that lie buried just beneath the surface things most people have chosen to forget or ignore One day Gwen Sinais hopes this includes her and her mother a crazed zealot that most people refer to as the Prophet of Loganville Gwen has carried her mother's reputation with her for her entire life The other kids shun her their parents give her weird looks and Gwen wants nothing more than to run away and never see another person again for the rest of her life That is until of course she meets the mysterious boy who hangs out by the graveyard She may even be attracted to him But stranger things are happening around town The town seems quieter than normal except for the odd sounds people have been reporting Bodies have been disappearing from the cemetery A meteor has even fallen from the sky As a steady mist starts to roll into town and the prophet's fictions start sounding more and more like fact the town begins to teeter on the edge of chaos And that's when the zombies show up
