LIVING LOVING AND LEARNING is a delightful collection of Dr. Buscaglia's informative and amusing lectures which were delivered worldwide between 1970 and 1981 This inspirational treasure is for all those eager to accept the challenge of life and to profit from the wonder of love An investment in life is an investment in change When you are changing all the time you've got to continue to keep adjusting for change which means that you are going to be constantly facing new obstacles That's the joy

of living And once you are involved in the process of becoming there is no stopping You re doomed You re gone But what a fantastic journey I think the loving person must return to spontaneity return to touching each other to holding each other to smiling at each other to thinking of each other to caring about each other Hugs are good they feel nice and if you don t believe it try it We ve got to learn to trust again to believe again Of course it s a risk but everything is a risk We need to begin to go beyond just being again We ve got to get in touch with being human and there s a difference **Sing A New Song**
