Relentless Love Edwin Carl Smith,2004 Ed Smith defines enchantment as that place where our life and our deepest dreams merge and he maintains that it is our true nature In Relentless Love he proposes that we can live lives of enchantment through the practice of relentless love He inspires us to create a world based on our intention to love and our faith in life and contends that evolution is propelling us to do so He defines evolution as events you do not like that converge to create a possibility you could not anticipate This is an original lucid voice with something very compelling and vital to say that can change all of our lives **Why Are People Afraid of Love?** Rev. Tony K. Thomas,2019-01-03 There is a popular song that says What the world needs now is love sweet love and while the world and even Christians seek more love so many souls are falling into the trap of being afraid to love Yet God s desire is for his children to learn the truth of his nature that he is love Why are people afraid of love addresses this fear of loving and being loved especially in this generation in which there is a worldwide epidemic of failed relationships Author Rev Tony K Thomas invites you to look inside your soul and make some necessary personal adjustments when it comes to relationship building by simply asking the question Am I afraid of love The answer can be revealing as God s Spirit reveals to your heart and soul his love and your ability to love God wants to remove our fear of loving and he will help you during this season of singleness If you have had failed relationships or encounters or if you are married now but didn t get off to the smooth start you were expecting after the I do Why are people afraid of love can remind you of the origin and power of love that comes from above As 1 John 4 18 says perfect love will show fear the door

Kinney, 2017-05-15 The last twenty-five years have seen exciting new developments in scholarly work on Lady Mary Wroth, whose *Urania and Pamphilia to Amphilanthus* constitute the first romance and the first sonnet sequence to be published by an Englishwoman. Wroth's writings enter into a suggestive and gendered dialogue with the lyric and narrative works of her uncle Sir Philip Sidney, even as they carve out a place for her own literary experiments. This volume gathers together some of the most striking recent criticism addressing Wroth's oeuvre; many of its essays also discuss the intellectual and cultural contexts in which she wrote. The collection is prefaced by an extended editorial overview of scholarship in the field.

Love and its Place in Virtue Christine Swanton, 2024-08-19 In *Love and its Place in Virtue*, Christine Swanton argues for an original position on the relations between love and virtue and love and virtue ethics. For this task, the distinction between love as an emotion or emotional orientation and virtuous forms of love is central, as is the role of a conception of practical wisdom in virtuous love. How love features in virtue in general, including virtues which are not virtues of love, is the central theme. This book integrates virtue ethics with a renewed interest in the role of love in ethics. Until now, virtue ethics and philosophical accounts of love have been separate fields. In Swanton's account of love, she

argues that there are many criteria for love which feature in various ways in the different forms of love Central is the distinction between relational love between individuals and lovingness in its various forms as a fundamental emotional orientation towards the world as a whole a Grundstimmung Love and its Place in Virtue discusses foundational love universal love self love and dwelling love some of the impartial virtues of love notably universal beneficence impartial caring and forgiveness as well as the relation between love and the personal virtue of justice arguing that though justice is a virtue of respect it should be loving
