Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity **The Compelling Community** Mark Dever,Jamie Dunlop,2015-04-16 The local church is meant to embody the vibrant diversity of the global church transcending racial cultural and economic boundaries Yet local churches too often simply reflect the same societal divisions prevalent in our world today making them more akin to social clubs filled with like minded people than the supernatural community the New Testament prescribes Pastors Mark Dever and Jamie Dunlop argue that authentic fellowship is made up of two crucial ingredients commitment depth and diversity breadth Theologically rooted yet extremely practical this book sets forth basic
