Subramuniaswami the magazine's editors who are initiated monks of Kauai's Hindu Monastery collaborated with holy men and women and experts around the world in creating graphically rich guides to virtually every important aspect of Hinduism. The best of those works are assembled in *What Is Hinduism* for Hindus and non Hindus alike to discover the culture, beliefs, worship and mysticism that is India's greatest gift to humanity. Back cover *The Path of Practice* Maya Tiwari, 2011-01-01

As one of the world's only female experts on the ancient Indian tradition of Ayurvedic medicine, renowned teacher Bri Maya Tiwari has devoted her heart and soul to share the philosophy and methods that saved her from terminal cancer and redirected her life. In this book she offers a short course on healing and living and reveals how she has gone back to the sources of Ayurvedic wisdom to reclaim time-honoured natural spiritual techniques for use in contemporary life. Filled with illuminating insights, easy-to-follow recipes and meditations and exercises that can be adapted to different lifestyles and traditions, *The Path of Practice* is one of the only holistic programs designed for women by a woman. This book has a strong focus on women because they are the staff holders of sacred life and nurturance. The aim is to evoke, inform, strengthen and safeguard the memory of women as guardians of sacred healing. It is also meant to help men become awakened to the Mother's primordial healing energy that has existed within them from ancient times. *Kundalini science* Premyogi vajra, 2022-02-16

This book is third part book 3 of the *Kundalini science* series. Its first part and second part book 2 are also available. It is the compiled form of blog posts. Those posts are written by Premyogi vajra, a mystic yogi. He is enlightened as well as he has his kundalini awakened. These all posts are related to kundalini. One post corresponds to one chapter. Premyogi vajra is writing about Kundalini since 4 years ago when his kundalini awakened after one year long continued kundalini yoga meditation. He became amazed on seeing that nowhere Kundalini had been mentioned or described completely. Even Kundalini had not been defined properly. He searched and read many kundalini awakening experiences but he found none as genuine and complete. Although he found Samadhi as mentioned in Patanjali Yoga Sutras as equivalent to Kundalini but that was described in a mystic and ancient way that was difficult to be understood by the laymen type general public. Therefore inspired by these shortcomings he decided to present every know-how about kundalini in very simple or childish way, keeping everything at ground level, true, experiential, scientific, original, practical and intuitive. That genuine, honest and humane effort resulted into the origination of this wonderful book. That is why this book appears as a blessing for kundalini seekers. Because it is not comfortable to read so many blog posts together on glare-producing screens, therefore those posts were presented in the form of a Kindle e-book that is comfortable and enjoyable to read. As a result, it is fully hoped that readers will find this book spiritually uplifting and comfortable to read. **The Path of Practice** Bri Maya Tiwari, 2001-11-27

All About H. Hatter G V Desani,2007-11-06 Wildly funny and wonderfully bizarre All About H Hatter is one of the most perfectly eccentric and strangely absorbing works modern English has produced H Hatter is the son of a European merchant officer and a lady from Penang who has been raised and educated in missionary schools in Calcutta His story is of his search for enlightenment as in the course of visiting seven Oriental cities he consults with seven sages each of whom specializes in a different aspect of Living Each teacher delivers himself of a great Generality each great Generality launches a new great Adventure from each of which Hatter escapes not so much greatly edified as by the skin of his teeth The book is a comic extravaganza but as Anthony Burgess writes in his introduction it is the language that makes the book It is not pure English it is like Shakespeare Joyce and Kipling gloriously impure

A Perfect Ganesh Terrence McNally,1994 Two outwardly unremarkable middle aged lady friends throw themselves into a rousing tour of India each one having her own secret dreams of what the fabled land of intoxicating opposites will do for the suffering she hides within Page 4 of cover

The Clash Within Martha NUSSBAUM,2009-06-30 While America is focused on religious militancy and terrorism in the Middle East democracy has been under siege from religious extremism in another critical part of the world As Nussbaum reveals in this penetrating look at India today the forces of the Hindu right pose a disturbing threat to its democratic traditions and secular state Nussbaum's long standing professional relationship with India makes her an excellent guide to its recent history
