Loving Graham Greene A Novel:

Loving Graham Greene Gloria Emerson, 2010-12-22 This marvelous debut novel by former New York Times correspondent and National Book Award winner Gloria Emerson is a witty and deeply affecting portrait of the stubborn hopes and disillusionment of a privileged woman who dreams of making a difference in the world The polite correspondence she shares with the novelist Graham Greene inspires Molly Benson to see him as her moral guiding light After his death in 1991 Molly sets out to honor his memory by going on a mission with two friends to Algeria at the start of that nation's brutal civil war intending to save intellectuals from Islamic fundamentalist hit squads But nothing in her genteel existence has prepared her for the perilous journey on which she and her humble delegation are about to embark *Loving Graham Greene* Gloria Emerson, 2007 Molle Benson est une Américaine fortunée rongée par la mauvaise conscience d'être riche Si elle a de l'affection pour son mari c'est pour Graham Greene dont elle admire l'œuvre mais plus encore les prises de position courageuses qu'elle prouve une véritable passion Lorsque son idole meurt Molle pour honorer sa mémoire et chapper son chagrin décide d'aller en Algérie afin d'apporter son aide des intellectuels menacés par le FIS Flanquée d'une amie fidèle et d'un tuteur imbu de lui-même elle débarque chez deux religieux français qui préfèrent ignorer les dangers de la situation Pendant que les attentats se multiplient et que la répression frappe l'aveugle elle parcourt Alger la recherche de victimes potentielles des liasses de dollars pleines ses chaussures Ce portrait sans concessions de trois belles mes décrites avec humour les illusions de l'engagement individuel *The Works of Graham Greene, Volume 2* Mike Hill, Jon Wise, 2015-10-22 Over a 60 year career Graham Greene was a prolific writer While his published works established him as one of the great writers of the twentieth century much of his writing was never to see the light of day and has been gathered together in a number of archives across the UK Ireland USA and Canada The second volume of *The Works of Graham Greene* is a comprehensive guide to the archives of Greene's writing The book details archival holdings of unpublished novels short stories plays film scripts journals poetry fragments of writing and letters as well as manuscripts and typescripts of published works Analysing and contextualising the unpublished work the book is fully cross referenced throughout and includes a substantial index as well as practical guidance for students scholars and researchers on accessing and making the most of each of the archives **Innocence in Graham Greene's Novels** Shoko Miyano, 2006 Graham Greene once wrote that Innocence is a kind of insanity This book examines the many shades of innocence in Greene's characters the blank innocence depraved innocence and absurd innocence of Anthony Farrant the piteous innocence of Pinkie the simple innocence of Raven the pure innocence of Father Quixote the paradoxical innocence of the Whisky Priest the inverted innocence of Sarah Miles the faithful innocence of Father Rivas the Dog Ears Priest the intrusive innocence of Doctor Fischer and the playful innocence of Harry Lime The complex concept of innocence is found to be a prevailing theme in Greene's novels **Dangerous Edges of Graham Greene** Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last

century's most celebrated authors. The first volume to be authorized by the Graham Greene Birthplace Trust, *Dangerous Edges of Graham Greene* brings together writers, journalists, and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests. Here the reader may explore everything from Greene's Vienna at the time of the filming of *The Third Man* to his sometimes fraught relationship with Evelyn Waugh, from Greene's unconventional fictional treatment of women to his believing skepticism. While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system, critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion. Perhaps this is because Greene's own character seems so paradoxical, ironic even. Moreover, in believing that sin contains within itself the seeds of saintliness, he consistently loiters on what Robert Browning calls the dangerous edge of things. In exploring this dangerous edge, this book covers the full breadth of Greene's life and literary career.

The New York Times Book Reviews 2000 New York Times Staff, 2001. This anthology examines *Love's Labour's Lost* from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources; character analysis; comic elements and verbal conceits; evidence of authorship; performance analysis; and feminist interpretations. Alongside theater reviews, production photographs, and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work, and concept rounds out this valuable resource.

On Their Own Joyce Hoffmann, 2008-06-24. Over three hundred women, both print and broadcast journalists, were accredited to chronicle America's activities in Vietnam. Many of those women won esteemed prizes for their reporting, including the Pulitzer, the Overseas Press Club Award, the George Polk Award, the National Book Award, and the Bancroft Prize for History. Tragically, several lost their lives covering the war, while others were wounded or taken prisoner. In this gripping narrative, veteran journalist Joyce Hoffmann tells the important yet largely unknown story of a central group of these female journalists, including Dickey Chapelle, Gloria Emerson, Kate Webb, and others. Each has a unique and deeply compelling tale to tell, and vivid portraits of their personal lives and professional triumphs are woven into the controversial details of America's twenty-year entanglement in Southeast Asia.

Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03. A monograph analysing the symbolic role played by contemporary fiction in the break-up of political and cultural consensus in British public life.

Graham Greene's Fictions Cates Baldridge, 2000.

The Contemporary Novel Irving Adelman, Rita Dworkin, 1997-10-09. In this new edition, what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world.

Dead on a High Hill W.D. Ehrhart, 2014-01-10. A new collection of Bill Ehrhart's essays, 25 of them written between 2002 and 2012, on subjects ranging from the Vietnam War, failures of American policy makers, to life in 21st-century Vietnam, the trenches of the Western Front, the mountains of Korea, the sands of Iraq, from the value of one's name to the cowardice of Congress, mountain gorillas in Rwanda, the journalist Gloria Emerson teaching poetry to teenagers on the

famous Wilfred Owen and the obscure Robert James Elliott These essays explore the fallacies of history the madness of war the craft of poetry the profession of teaching and the art of living

The Princeton Anthology of Writing John McPhee, Carol Rigolot, 2021-09-14 In 1957 long before colleges awarded degrees in creative nonfiction and back when newspaper writing's reputation was tainted by the fish it wrapped Princeton began honoring talented literary journalists Since then fifty nine of the finest most dedicated and most decorated nonfiction writers have held the Ferris and McGraw professorships This monumental volume harbors their favorite and often most influential works Each contribution is rewarding reading and collectively the selections validate journalism's ascent into the esteem of the academy and the reading public Necessarily eclectic and delightfully idiosyncratic the fifty nine pieces are long and short political and personal comic and deadly serious Students will be provoked by William Greider's pointed critique of the democracy industry eerily entertained by Leslie Cockburn's fraternization with the Cali cartel inspired by David K Shipler's thoughts on race unsettled by Haynes Johnson's account of Bay of Pigs survivors and moved by Lucinda Frank's essay on a mother fighting to save a child born with birth defects Many of the essays are finely crafted portraits Charlotte Grimes's biography of her grandmother Blair Clark's obituary for Robert Lowell and Jane Kramer's affecting story of a woman hero of the French Resistance Other contributions to savor include Harrison Salisbury on the siege of Leningrad Landon Jones on the 1950s Christopher Wren on Soviet mountaineering James Gleick on technology Gloria Emerson on Vietnam Gina Kolata on Fermat's last theorem and Roger Mudd on the media Whether approached chronologically thematically randomly or as the editors order them more intuitively each suggests a perfect evening reading Designed for students as well as general readers The Princeton Anthology of Writing splendidly attests to the elegance eloquence and endurance of fine nonfiction

Media and Gender equality Mark Bonner, 2019-02-28 Media and gender refers to the relationship between media and gender and how representations of the different genders created for and by mass media Media can range from newspapers magazines comic strips novels CDs and music videos These representations can influence the general public's perception of the different genders It is important to continue exploring interactions of media and gender to dismiss personal choices but to see the larger context and potential consequences for ourselves and others Advertisements and pictures in magazines carry significant messages about cultural norms and values but also norms of gendered relations for both men and women Gender Equality is much debated issue in almost all the countries of the world It is more relevant in the context of developing countries where maltreatment and exploitation of women has been tradition which goes on unabated This book in two parts encompasses vital information on the problem of gender equality and allied issues Based on authentic information gathered from various authoritative sources and supported by facts and figures this has become a veritable mine of information The book we feel would prove to be of enormous relevance and immense use for social scientists social activists social planners and programme executives connected and concerned with the subject e

Psychoanalytic Patterns in the Work of Graham

Greene Roland A. Pierloot,2023-12-14 In Greene s writings we notice a genuine concern with social and political conflicts at different places in the world But at the same time they bear witness to a distinct involvement in problems of human nature and behaviour In this respect we can formulate some dominating preoccupations such as the stressing of antitheses and antagonisms which he calls himself cleavage the questioning of loyalty and the claiming of the right to disloyalty the repercussion of childhood experiences in particular the father son relationship on adult life and the transcendental dimension in human experience From a psychoanalytic viewpoint we analyse the various elaborations of these general themes in the work of Greene as symbolizations of specific unconscious phantasies defined in the writings of Freud Klein Fairbairn Kernberg Kohut and Winnicott This analysis of the imaginary world of an author is conceived as analogous to a clinical psychoanalysis It is a hermeneutical activity based on the countertransference experience evoked by the reading of the text while taking into account the manifold strategies of symbolizing in a literary work the choice of the genre themes text construction tropes word plays figurative language repetition discontinuity parallelism plot and characters **WLA** ,2006

War Torn Tad Bartimus,2004 For the first time the women who are legends in the world of journalism talk about professional and personal experiences as young reporters who lived worked and loved surrounded by war These stories not only introduce a remarkable group they give an entirely new perspective on the most controversial war in our history The Message of the City Patricia E. Palermo,2016-05-27 Dawn Powell was a gifted satirist who moved in the same circles as Dorothy Parker Ernest Hemingway renowned editor Maxwell Perkins and other midcentury New York luminaries Her many novels are typically divided into two groups those dealing with her native Ohio and those set in New York From the moment she left behind her harsh upbringing in Mount Gilead Ohio and arrived in Manhattan in 1918 she dove into city life with an outlander s anthropological zeal reads a recent New Yorker piece about Powell and it is those New York novels that built her reputation for scouring wit and social observation In this critical biography and study of the New York novels Patricia Palermo reminds us how Powell earned a place in the national literary establishment and East Coast social scene Though Powell s prolific output has been out of print for most of the past few decades a revival is under way the Library of America touting her as a rediscovered American comic genius released her collected novels and in 2015 she was posthumously inducted into the New York State Writer s Hall of Fame Engaging and erudite The Message of the City fills a major gap in in the story of a long overlooked literary great Palermo places Powell in cultural and historical context and drawing on her diaries reveals the real life inspirations for some of her most delicious satire **The Rhetoric of Fiction** Wayne C. Booth,2010-05-15 The first edition of The Rhetoric of Fiction transformed the criticism of fiction and soon became a classic in the field One of the most widely used texts in fiction courses it is a standard reference point in advanced discussions of how fictional form works how authors make novels accessible and how readers recreate texts and its concepts and terms such as the implied author the postulated reader and the unreliable narrator have become part of the standard critical lexicon For

this new edition Wayne C Booth has written an extensive Afterword in which he clarifies misunderstandings corrects what he now views as errors and sets forth his own recent thinking about the rhetoric of fiction The other new feature is a Supplementary Bibliography prepared by James Phelan in consultation with the author which lists the important critical works of the past twenty years two decades that Booth describes as the richest in the history of the subject

Makers of Modern Culture Justin Wintle, 2002 This volume provides lively and clearly written expositions of those figures who have done most to shape our views in the period since 1914 Music cinema drama art fiction poetry and philosophy are just some of the fields covered

The English Novel at Mid-Century Michael Gorra, 2016-07-27 So far as the young were concerned Orwell wrote of Britain in the years after the Great War the official beliefs were dissolving like sandcastles Most critical accounts of that postwar generation have been constrained by having to deal with the myth of the thirties Michael Gorra's innovation in this exciting study of the postwar generation's major novelists lies in seeing the consequences of that dissolution in formal rather than political terms arguing that the novelist's difficulty in representing human character in what Wyndham Lewis called a shell shocked age is itself a sign of that loss of belief But while most studies of this generation end with the coming of World War 2 Gorra follows these novelists throughout their careers The result is a book that not only shows how the British novel's increasing consciousness of its own limitations stands as a mirror to the country's loss of power but also provides memorable portraits of four major twentieth century writers
