

State Self-Esteem Scale

Name		Date				
<p>This is a questionnaire designed to measure what you are thinking at this moment. There is, of course, no right answer for any statement. The best answer is what you feel is true of yourself at the moment. Be sure to answer all of the items, even if you are not certain of the best answer. Again, answer these questions as they are true for you RIGHT NOW.</p>

My Answer is No . . . If That's Okay with You Nanette Gartrell,2008-01-08 Are you afraid you ll hurt the people you care about if you say NO to them Can you set limits when employees neglect their responsibilities How about with your boss When friends ask you to do something you don t want to do do you invent an elaborate excuse Do you have a hard time saying NO to an invitation even when you re completely exhausted Do you have trouble even practicing the sentence No Mom I just can t make it home this holiday If any of these scenarios sound familiar keep reading you need this book No is a very simple word two letters one syllable Yet many women have a hard time saying it without feeling anxious or guilty In My Answer Is NO If That s Okay with You award winning psychiatrist and author Dr Nanette Gartrell takes a fresh look at why even the most powerful accomplished and successful women find it difficult to say no and offers a revolutionary approach to setting limits without jeopardizing important relationships Today women are bombarded with messages like put yourself first and stop being a people pleaser But this sort of advice is useless to women who value the caring and generosity that prompt them to say yes in the first place Through personal interviews with a diverse group of talented women including CEOs celebrities physicians and public officials Dr Gartrell shows that women s reluctance to say no stems from valuable traits that they

should embrace such as empathy sensitivity and thoughtfulness With humor and wisdom Dr Gartrell reaffirms the psychological importance of compassion and feeling connected which can often lead a woman to say yes rather than no in order to preserve a relationship or spare someone s feelings Through entertaining anecdotes and insights from her years of clinical practice Dr Gartrell teaches women to honor their best instincts while still maintaining boundaries My Answer Is NO If That s Okay with You offers creative practical ways to transform an automatic or reluctant yes into a healthy respectful no and still feel good about it
