magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Tour Book* American Automobile Association, 2006 **Handbook of the Linguistic Atlas of the Middle and South Atlantic States** William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches *A Hedonist's Guide to New York* Andrew Stone, 2009 The world's favorite city and arguably foremost truly global metropolis New York is fast paced and constantly changing From the high end chic restaurants in Midtown to the alternative underground bars of the Lower East Side from the established grandeur of the Upper West Side to the unashamed wealth of the Upper East from glam and gay Chelsea to the taste makers of the Meatpacking District this is a city that desperately needs a tour guide Hg2's crack team of writers come to the rescue with this discriminating guidebook Targeting a generation of time poor cash rich travelers who want only the best A Hedonist's Guide to New York is packed with photographs hidden venues and easy to use color coded maps Completely revised updated and redesigned this second edition helps visitors bypass the mundane and head toward the magnificent **Books in Print** , 1994 **Resources in Education** , 1977-10 *Subject Guide to Books in Print* , 1993 **Inside New York - 2007 Edition** Justin Belmont, 2006-08 Published in colour for the first time the 2007 edition offers over 380 pages of original
