## **Lower Class Families The Culture Of Poverty In Negro Trinidad:**

*Lower-Class Families* Hyman Rodman, 1971      *Lower-class Families* Bela Balassa, 1971      **A New Look at Black Families** Charles Vert Willie, Richard Reddick, 2003 Revised edition of classic textbook on black families      *The Undeserving Poor* Michael B. Katz, 2013-12 First published in 1989 The Undeserving Poor was a critically acclaimed and enormously influential account of America's enduring debate about poverty Taking stock of the last quarter century Michael B Katz's new edition of this classic is virtually a new book As the first did it will force all concerned Americans to reconsider the foundations of our policies toward the poor especially in the wake of the Great Recession that began in 2008 Katz highlights how throughout American history the poor have been regarded as undeserving people who do not deserve sympathy because they brought their poverty on themselves either through laziness and immorality or because they are culturally or mentally deficient This long dominant view sees poverty as a personal failure serving to justify America's mean spirited treatment of the poor Katz reminds us however that there are other explanations of poverty besides personal failure Poverty has been written about as a problem of place of resources of political economy of power and of market failure Katz looks at each idea in turn showing how they suggest more effective approaches to our struggle against poverty The Second Edition includes important new material It now sheds light on the revival of the idea of culture in poverty research the rehabilitation of Daniel Patrick Moynihan the resurgent role of biology in discussions of the causes of poverty such as in *The Bell Curve* and the human rights movement's intensified focus on alleviating world poverty It emphasizes the successes of the War on Poverty and Great Society especially at the grassroots level It is also the first book to chart the rise and fall of the underclass as a concept driving public policy A major revision of a landmark study *The Undeserving Poor* helps readers to see poverty and our efforts to combat it in a new light      **The Black Family in Slavery and Freedom, 1750-1925** Herbert G. Gutman, 1977-07-12 An exhaustively researched history of black families in America from the days of slavery until just after the Civil War      **Poverty Knowledge** Alice O'Connor, 2024-11-01 Progressive era poverty warriors cast poverty in America as a problem of unemployment low wages labor exploitation and political disfranchisement In the 1990s policy specialists made dependency the issue and crafted incentives to get people off welfare *Poverty Knowledge* gives the first comprehensive historical account of the thinking behind these very different views of the poverty problem in a century spanning inquiry into the politics institutions ideologies and social science that shaped poverty research and policy Alice O Connor chronicles a transformation in the study of poverty from a reform minded inquiry into the political economy of industrial capitalism to a detached highly technical analysis of the demographic and behavioral characteristics of the poor Along the way she uncovers the origins of several controversial concepts including the culture of poverty and the underclass She shows how such notions emerged not only from trends within the social sciences but from the central preoccupations of twentieth century American liberalism economic growth the Cold War against communism the changing fortunes of the welfare state and the enduring

racial divide The book details important changes in the politics and organization as well as the substance of poverty knowledge Tracing the genesis of a still thriving poverty research industry from its roots in the War on Poverty it demonstrates how research agendas were subsequently influenced by an emerging obsession with welfare reform Over the course of the twentieth century O Connor shows the study of poverty became more about altering individual behavior and less about addressing structural inequality The consequences of this steady narrowing of focus came to the fore in the 1990s when the nation s leading poverty experts helped to end welfare as we know it O Connor shows just how far they had traveled from their field s original aims

**A New Look at Black Families** Charles V. Willie, Richard J. Reddick, 2010-02-16 Charles Willie and Richard Reddick s *A New Look at Black Families* has introduced thousands of students to the intricacies of the Black family in American society since its publication in 1976 Using a case study approach Willie and Reddick show the varieties of the Black family experience and how those experiences vary by socioeconomic status In addition to examining families of low income working and middle classes the authors also look to the family experiences of highly successful African Americans to try to identify the elements of the family environment leading to success The authors puncture the myth of the Black matriarchy prevalent in the popular imagination and they explore a variety of family configurations including a family with same gender parents The sixth edition has been reorganized and updated throughout The new Part III\_Cases Against and for Black Men and Women\_unites two chapters from previous editions into a cohesive discussion of stereotypes and misunderstandings from both scholars and the mass media Also a new chapter on the Obama family offers support for cross gender and cross racial mentoring and it demonstrates the value of extended family relations

**Women and Change in the Caribbean** Janet Momsen, 1993-09-22 Recent discussion of postmodern culture describes a movement from center to periphery privileging cultures that were formerly marginalized *Women and Change in the Caribbean* a study of

women marginalized by both gender and race in a region such as the Caribbean itself marginalized in global terms attempts to extract insights relevant both within and beyond geographical confines This volume offers a feminist interpretation of a multicultural society emerging from colonialism and in the process of change and restructuring The nineteen chapters include case studies of fifteen different Caribbean territories including Jamaica Trinidad Barbados Puerto Rico Grenada and Guyana The book is divided into two sections the first looks at women s status and gender relations in the private and public spheres the second looks at women s economic activity Taking a broad pan Caribbean comparative view contributors discuss territories with American British Dutch Danish French and Spanish colonial traditions and current political links The contributors come from a range of disciplinary backgrounds including agriculture anthropology economics geography history sociology and women s studies

***Women-Headed Households*** S. Chant,1997-01-31 Households headed by women are a growing presence worldwide This is the first book to focus on their diversity and dynamics in developing countries Set within the context of global trends and debates on female household headship and using case study material based on interviews with low income women in Mexico Costa Rica and the Philippines the analysis explores the reasons for the formation and increase in women headed households in different parts of the world and their capacity for survival in societies where male headed households are both the norm and ideal

***Underclass*** John Welshman,2007-03-10 This book is the first to look systematically at the question of underclass and poverty bringing new insights on the contemporary debate about behaviour and welfare reform

***Global Circuits of Blackness*** Jean Muteba Rahier,Percy C. Hintzen,Felipe Smith,2022-08-15 Global Circuits of Blackness is a sophisticated analysis of the interlocking diasporic connections between Africa Europe the Caribbean and the Americas A diverse and gifted group of scholars delve into the contradictions of diasporic identity by examining at close range the encounters of different forms of blackness converging on the global scene Contributors examine the many ways blacks have been misrecognized in a variety of contexts They also explore how as a direct result of transnational networking and processes of friction blacks have deployed diasporic consciousness to interpellate forms of white supremacy that have naturalized black inferiority inhumanity and abjection Various essays document the antagonism between African Americans and Africans regarding heritage tourism in West Africa discuss the interaction between different forms of blackness in Toronto s Caribana Festival probe the impact of the Civil Rights movement in America on diasporic communities elsewhere and assess the anxiety about HIV and AIDS within black communities The volume demonstrates that diaspora is a floating revelation of black consciousness that brings together in a single space dimensions of difference in forms and content of representations practices and meanings of blackness Diaspora imposes considerable flexibility in what would otherwise be place bound fixities Contributors are Marlon M Bailey Jung Ran Forte Reena N Goldthree Percy C Hintzen Lyndon Phillip Andrea Queeley Jean Muteba Rahier St phane Robolin and Felipe Smith

***Family Love in the Diaspora*** Mary Chamberlain,2017-07-05 Colonial social policy in the British West Indies from the nineteenth century onward

assumed that black families lacked morals structure and men a void that explained poverty and lack of citizenship African Caribbean families appeared as the mirror opposite of the ideal family advocated by the white colonial authorities Yet contrary to this image what provided continuity in the period and contributed to survival was in fact the strength of family connections their inclusivity and support This study is based on 150 life story narratives across three generations of forty five families who originated in the former British West Indies The author focuses on the particular axes of Caribbean peoples from the former British colonies of Jamaica Trinidad and Tobago and Barbados and Great Britain Divided into four parts the chapters within each present an oral history of migrant African Caribbean families demonstrating the varieties organization and dynamics of family through their memories and narratives It traces the evolution of Caribbean life argues how the family can be seen as the tool that helps transmit and transform historical mentalities examines the dynamics of family life and makes comparisons with Indo Caribbean families Above all this is a story of families that evolved against the odds of slavery and poverty to form a distinct Creole form through which much of the social history of the English speaking Caribbean is refracted Family Love in the Diaspora offers an important new perspective on African Caribbean families their history and the problems they face for now and the future It offers a long overdue historical dimension to the debates on Caribbean families

**Cultural Perspectives on Development** Vincent Tucker, 2014-06-23 What does cultural analysis have to offer development studies Is culture a new paradigm for the study of development or a minefield of theoretical confusion Can we move beyond notions of global culture and local culture to a more refined notion of cultural processes This collection of articles addresses these issues providing a diversity of approaches Two themes in particular run through the contributions the relationship between culture and political economy and the relationship between local and global processes

Nations Unbound Linda Basch,Nina Glick Schiller,Christina Szanton Blanc,2005-09-26 Nations Unbound is a pioneering study of an increasing trend in migration transnationalism Immigrants are no longer rooted in one location By building transnational social networks economic

alliances and political ideologies they are able to cross the geographic and cultural boundaries of both their countries of origin and of settlement Through ethnographic studies of immigrant populations the authors demonstrate that transnationalism is something other than expanded nationalism By placing immigrants in a limbo between settler and visitor transnationalism challenges the concepts of citizenship and of nationhood itself
