describe and assess Thatcher's Efficiency Strategy as an exercise in improving public management. They explain how the strategy has gone about improving administrative performance by increasing cost consciousness in the use of resources and creating flexibility for managing change. They analyze major themes such as decentralization, information systems, and budgets as management tools, organization design, and the management of interdepartmental relations. *Faithful Bodies* Heather Miyano Kopelson, 2019-03-12 In the seventeenth century, English Atlantic religious beliefs and practices played a central role in creating racial identity. English Protestantism provided a vocabulary and structure to describe and maintain boundaries between insider and outsider. In this path-breaking study, Heather Miyano Kopelson peels back the layers of conflicting definitions of bodies and competing practices of faith in the puritan Atlantic, demonstrating how the categories of white, black, and Indian developed alongside religious boundaries between Christian and heathen and between Catholic and Protestant. *Faithful Bodies* focuses on three communities of Protestant dissent in the Atlantic World: Bermuda, Massachusetts, and Rhode Island. In this puritan Atlantic, religion determined insider and outsider status; at times, Africans and Natives could belong as long as they embraced the Protestant faith, while Irish Catholics and English Quakers remained suspect. Colonists' interactions with indigenous peoples of the Americas and with West Central Africans shaped their understandings of human difference and its acceptable boundaries. Prayer, religious instruction, sexual behavior, and other public and private acts became markers of whether or not blacks and Indians were sinning Christians or godless heathens. As slavery became law, transgressing people of color counted less and less as sinners in English puritans' eyes, even as some of them made Christianity an integral part of their communities. As Kopelson shows, this transformation proceeded unevenly but inexorably during the long seventeenth century. **Spiritual Weaving** Peter F. Serra, 2017-09-29 Have you ever wondered what motivates and produces the courage necessary for someone to place into print his inner thoughts and understanding of life? Have we ever found ourselves seeking answers within the complexity of life and then find all has been given? Such is the reality of everyone who has been touched by the hand of God. *Spiritual Weaving* is the result of what has been given by God and learned through life's lessons. All who have been touched by God's mercy become communicators of the love received. *Spiritual Weaving* is a common man's thoughts exposed by the love that has been given to him. *Strategic Leadership and Management* Sulemana Iddrisu, Abdul-Razak Abubakari, Alhassan Alolo, Abdul-Rasheed Akeji, Mohammed Majeed, 2025-11-18 To achieve long-term success, teams and organizations need leaders and managers that can think strategically and solve problems creatively. This new book covers the important aspects of strategic leadership and management at the institutional level in key areas of government, health, education, hospitality, finance, and general industry sectors. It offers a comprehensive understanding of the components, styles, and characteristics of leadership that are crucial for achieving success in today's leadership situations. **Twelve Months of Spiritual Fruit Maturing** Dr. Catherine Braswell, 2021-07-28 When talking to many Christians, I have noticed that they are having problems maturing in their spiritual walk. They speak of their love for the

Lord but cannot seem to be able to love one another or get along with others as being a Christian Many will say it takes a lot to get along with people and they don't think that they can do it The truth of the matter is without Christ working through the Holy Spirit in us it will not happen When you and I allow the Holy Spirit to mature the Fruit of the Spirit in us we will be able to do all the things Christ wants us to do It is the power of God and not of ourselves that the fruit of the Spirit matures In this book I would like to use the Holy Scriptures through the Spirit of God to help us work on maturing The Fruit of The Spirit in our lives
