Michael Schumacher James Allen,2000 Michael Schumacher has established himself as the outstanding Grand Prix driver of the 1990s He has dominated the sport like no other driver since Fangio in the 1950s By the start of the 1997 season experts and onlookers alike regarded him as the best around untouchable on his day able to win races against drivers in superior machinery able to master changing conditions while the others get confused He demonstrated the rare blend of exceptional ability and nerve that defines a champion in any sport He seemed to be on the brink of winning the World Championship Then in a split second at Jerez everything changed In an incident which was to be replayed and analysed time and again throughout the world s media Schumacher s Ferrari collided with Williams putting arch rival Villeneuve out of the race Schumacher shrugged off what he called a mistake The press thought otherwise By the next day he was cast as a villain in the eyes of the world Under pressure to act the FIA punished Schumacher severely He became the first man in the history of the sport to be removed from the championship results for unsportsmanlike driving At the start of the 1998 season Schumacher found himself playing the role of outcast Armed with a more competitive Ferrari and with a passionate tea behind him was it still possible for him to confirm his unique talent to win races and possibly to win the Championship outright Backed with the full co operation of Schumacher and his staff ITV pits commentator James Allen will give the full inside story of Ferrari s 1998 season a year that could well see the redemption of Michael Schumacher
