*The Luckiest Girl (rack)* Beverly Cleary, 2003-07-29 Shelly feels as if she's living in a fantasyland. She's spending the school year in Southern California and when the star of the basketball team smiles at her, Shelly feels as if she's been touched by magic. Now she's about to discover the magic of falling in love.

*The Luckiest Girl* Beverly Cleary, 2009-10-06 A classic coming-of-age love story from beloved Newbery Medal winner Beverly Cleary. Sixteen-year-old Shelley Latham longs for her junior year of high school to be different from the stifling sameness of the years before. When she is sent from Oregon to California to stay with friends of the family for the school year, she gets her wish. Right away, Shelley's pretty looks and Northern ways endear her to her new classmates, including Hartley, the student body president. Meanwhile, Shelley sets her heart on star basketball player Philip, and when he asks her out, everything seems perfect. Shelley truly is the luckiest girl, but is it Philip or Hartley whom she really loves?

*The Luckiest Girl in the World* Steven Levenkron, 1998-03-01 Just looking at Katie Roskova, you'd think she had it all: she was pretty, popular, an A student at an exclusive private school, and on her way to becoming a champion figure skater. But there was another Katie, the one she hid from the world, who was having trouble dealing with the mounting pressures of her young life. And it was this Katie, who with no other means of expression available to her, reacted to her overbearing mother, her absent father, her unforgiving schedule, and her oblivious classmates by turning her self-doubt into self-hatred and into self-mutilation. In his previous novel, *The Best Little Girl in the World*, Steven Levenkron brought insight, expertise, and sensitivity to the painful subject of anorexia nervosa. Now he applies these same talents to demystifying a condition that is just as heartbreaking and becoming more common every day. Through his depiction of Katie's self-mutilating behavior, she is called a cutter by her peers, and her triumphant road to recovery, he offers a compelling profile of a young girl in trouble and much-needed hope to the growing numbers who suffer from this shocking syndrome.

*Luckiest Girl Alive* Jessica Knoll, 2022-09-06 In a riveting debut novel that reads like *Prep* meets *Gone Girl*, a young woman is determined to create the perfect life: husband, home, and career. Until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at *The Women's Magazine*, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep: a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success—expensive clothes, high-powered byline, a massive engagement ring—she is determined to silence the whispers of suspicion and blame from her past and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't

come without cost As the wedding and filming converge Ani's meticulously crafted facade begins to buckle and crack until an explosive revelation offers her a final chance at redemption even as it rocks her picture perfect world Equal parts glitz and darkness and with a singular voice and twisting plot Luckiest Girl Alive reads like Sex the City if Carrie Bradshaw had a closet full of skeletons instead of shoes In Ani FaNelli Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page
