American Literature in Transition, 1960-1970 David Wyatt,2018-09-13 The decade of the 1960s has come to occupy a uniquely seductive place in both the popular and the historical imagination While few might disagree that it was a transformative period the United States remains divided on the question of whether the changes that occurred were for the better or for the worse Some see it as a decade when people became more free others

as a time when people became more lost American Literature in Transition 1960 1970 provides the latest scholarship on this time of fateful turning as seen through the eyes of writers as various as Toni Morrison Gary Snyder Michael Herr Amiri Baraka Joan Didion Louis Chu John Rechy and Gwendolyn Brooks This collection of essays by twenty five scholars offers analysis and explication of the culture wars surrounding the period and explores the enduring testimonies left behind by its literature **Nanyo-orientalism** , **Cultural Centers of Color** Elinor Bowles,1993 *Aiiieeeee!* Frank Chin,Jeffery Paul Chan,Lawson Fusao Inada,Shawn Wong,2019-10-31 In the eyes of mid twentieth century white America Aiiieeeee was the one dimensional cry from Asian Americans their singular expression of all emotions it signified and perpetuated the idea of Asian Americans as inscrutable foreign self hating undesirable and obedient In this anthology first published in 1974 Frank Chin Jeffery Chan Lawson Inada and Shawn Wong reclaimed that shout outlining the history of Asian American literature and boldly drawing the boundaries for what was truly Asian American and what was white puppetry Showcasing fourteen uncompromising works from authors such as Carlos Bulosan and John Okada the editors introduced readers to a variety of daring voices Forty five years later the radical collection continues to spark controversy While in the seventies it helped establish Asian American literature as a serious and distinct literary tradition today the editors forceful voices reverberate in contemporary discussions about American literary traditions Now back in print with a new foreword by literary scholar Tara Fickle this third edition reminds us how Asian Americans fought for and seized their place in the American literary canon
