that come with these opportunities to change peoples lives and be sometimes changed in the course of doing so This book Nursing Stories Ordinary People Extraordinary Journey chronicles the challenges nurses face the camaraderie they share the experiences they have and their unfaltering desire to make a difference Many nurses of diverse specialties working across the globe have in this book succinctly told their stories experiences and challenges not only to promote nursing as a profession in which one can make a difference but also as one in which the difference one makes can help shape ones outlook on life Every new page in this book highlights that while nurses try to change lives a lot of them end up being changed themselves Nursing Stories Ordinary People Extraordinary Journey is a compilation of actual life transforming stories that range from subtly hilarious stories to confronting clinical experiences Some of the stories are intriguing challenging inspiring scary or outright inconceivable Welcome to the world of nursing welcome to Nursing Stories Ordinary People Extraordinary Journey
