Congress. Senate. Committee on Appropriations. Subcommittee on Defense,1992 **The Bitter Air of Exile** Simon Karlinsky,Alfred Appel Jr.,2023-11-15 This compelling volume explores the complex lives and creative achievements of Russian writers exiled during a turbulent half century following the Bolshevik Revolution From renowned figures like Ivan Bunin and Dmitry Merezhkovsky to emerging voices such as Nina Berberova and Boris Poplavsky the book illuminates the struggles and triumphs of literary figures forced to navigate their craft far from home Set against the backdrop of stringent Soviet censorship and Western indifference The Bitter Air of Exile details how

these authors sustained a flourishing migr literary culture complete with journals publishing houses and intellectual discourse despite limited readership and pervasive hostility Through anecdotes of writers like Vladimir Nabokov and their tenuous reception in Western literary circles the work vividly portrays the isolation and resilience that defined migr creativity The collection further examines how migr literature often censored or dismissed in both Soviet and Western spheres remains a vital but underappreciated component of 20th century Russian literary heritage It highlights how themes of individuality mysticism and surrealism found expression in exile challenging the orthodoxies of Soviet culture By featuring both celebrated and obscure writers and spanning early migr efforts through mid century Cold War realities the book makes a compelling case for reevaluating the global importance of Russian literature in exile With its incisive critique of cultural prejudice and call to broaden the literary canon *The Bitter Air of Exile* is an essential resource for understanding the richness and complexity of Russian literary traditions outside the U S S R This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,1993 Sweet Release James Davison, Ph.D,2010-06-03 African Americans have come a long way in the difficult upward struggle from slavery to the relatively broad freedoms enjoyed today Together as a potent and well knit group they have battled endlessly in their march toward freedom Finally according to psychologist James Davison Jr the last step to freedom for black Americans has arrived But that last step must be taken as individuals not as a collective In this assessment of the problems and potentials facing African Americans Dr Davison argues that in order for achieving individuals to advance to the final step of freedom they must break free from the mental shackles created by the black community The central theme of Sweet Release is that the forces that impinge most upon psychological freedom for black Americans come from within Guilt for being successful shame in reaction to the misbehaviors of race peers demands to give back to the community and accusations of trying to be white are just a few of the mechanisms that thwart psychological freedom for black persons Dr Davison argues that individual lifestyles aspirations even identities are constrained by the specter of racial unity As a result for black advancers what remains to be overcome is not the system or them but internalized community attitudes that put a choke hold on individual freedom Unafraid of controversy or candid assessment Dr Davison addresses these and other thorny issues with psychological insight while offering strategies to move beyond group constrictions toward personal freedom James Davison Jr PhD Sacramento CA is a psychologist in private practice and also works in the criminal justice system for the California State Prison system In addition he is the author of Prisoners of Our Past *The Heartful Path of Awakening* Khenpo Jamyang Karma Gyaltsen,2021-10-06 In this journey of samsaric life which is full of dissatisfaction sufferings and uncertainties let s make these wisdom messages of the Buddha our beacon of hope and light While Khenpo Rinpoche writes these lines we are living in an unusual era of a global pandemic the COVID 19 So through this book Rinpoche wishes to send us a message of hope and healings In our struggles in battling this deadly pandemic he sincerely
