the cello In Cello Practice Cello Performance professor Miranda Wilson teaches that effectiveness on the concert stage or in  
an audition reflects the intensity efficiency and organization of your practice Far from being a mysterious gift randomly  
bestowed on a lucky few successful cello performance is in fact a learnable skill that any player can master Most other

supporting and empowering one another in any technical action Original exercises in the fundamentals of cello playing  
include cross lateral exercises mindful breathing and one of the most detailed discussions of intonation in the cello literature  
Wilson translates this practice room success to the concert hall through chapters on performance focused practice
