Major Dictionary Englishafrikaans And Afrikaansenglish:

Dictionary of Portuguese Loanwords in the Languages of Sub-Saharan Africa Sergio Baldi, 2023-10-16 The main purpose of this dictionary is twofold On the one hand it provides the scholar of African studies with a tool to identify the possible Portuguese origin of terms present in African languages and on the other it offers those who are interested in Portuguese culture an overview of the presence of its lexicon in African languages No doubt the Portuguese were among the first Europeans to explore the world outside of Europe and as such they were also the first to introduce that world to European concepts and words This book is the result of a long and detailed work on texts in African languages as also shown by the rich bibliography in the dictionary

The Oxford History of English Lexicography A. P. Cowie, 2008-12-04 These substantial volumes present the fullest account yet published of the lexicography of English from its origins in medieval glosses through its rapid development in the eighteenth century to a fully established high tech industry that is as reliant as ever on learning and scholarship The history covers dictionaries of English and its national varieties including American English with numerous references to developments in Europe and elsewhere which have influenced the course of English lexicography Part one of Volume I explores the early development of glosses and bilingual and multilingual dictionaries and examines their influence on lexicographical methods and ideas Part two presents a systematic history of monolingual dictionaries of English and includes extensive chapters on Johnson Webster and his successors in the USA and the OED It also contains descriptions of the development of dictionaries of national and regional varieties and of Old and Middle English and concludes with an account of the computerization of the OED The specialized dictionaries described in Volume II include dictionaries of science dialects synonyms etymology pronunciation slang and cant quotations phraseology and personal and place names This volume also includes an account of the inception and development of dictionaries developed for particular users especially foreign learners of English The Oxford History of English Lexicography unites scholarship with readability It provides a unique and accessible reference for scholars and professional lexicographers and offers a series of fascinating encounters with the men and women involved over the centuries in the making of works of profound national and linguistic importance

Symposium on Lexicography IX Jens

Eric Mogensen, Viggo Hjørnager Pedersen, Arne Zettersten, 2011-05-02 The proceedings cover new perspectives in the field of lexicography including both theoretical and practical topics and new aspects of special and bilingual dictionaries. The volume also includes contributions dealing with corpus based dictionaries, neologisms, valency, collocations, equivalents, semantics, grammar, etymology, vocabulary, homonymy, euphemisms, the history of lexicography and the techniques of computerized dictionary production.

The Oxford Handbook of Lexicography Philip Durkin, 2016 This volume provides concise authoritative accounts of the approaches and methodologies of modern lexicography and of the aims and qualities of its end products. Leading scholars and professional lexicographers from all over the world and representing all the main traditions and perspectives assess the state of the art in every aspect of research and practice. The book is divided into four parts reflecting the main types of lexicography. Part I looks at synchronic dictionaries: those for the general public, monolingual dictionaries for second language learners and bilingual dictionaries. Part II and III are devoted to the distinctive methodologies and concerns of the historical dictionaries and specialist dictionaries respectively, while chapters in Part IV examine specific topics such as description and prescription, the representation of pronunciation and the practicalities of dictionary production. The book ends with a chronology of the major events in the history of lexicography. It will be a valuable resource for students, scholars and practitioners in the field.
