

## "GET LAID WITHOUT DATING!"

Wouldn't you rather have **hot** female friends who want you, have **casual sex** with you, and are excited to introduce you to their female friends? This book is your complete guide to meeting girls, becoming better friends with them, having casual sex with them, and remaining their **booty call** for life! You can also use this book to meet the woman of your dreams and have the most successful, fulfilling relationship of your life.

You will discover how to:

- Have sex without dating. No more:
  - Nervousness of asking girls out
  - Money wasted on the opposite sex (spend it on yourself!)
  - Hanging up when you get her answering machine
  - Awkward first dates
  - Unreturned phone calls
  - Effort wasted planning dates
  - Girls standing you up
  - Awkwardness of having to "make a move"
- Make good-looking girls attack you when they want sex
- Be the friend she sleeps with casually:
  - When she's lonely
  - After a break-up
  - When she's horny
- Be her 2 AM booty call
- Be the guy she loves to introduce to her female friends

John Fata and Steve Red are just 2 normal guys... who get laid a lot. They developed a system that took them from a life of unreturned phone calls and getting stood-up to a life filled with sex and beautiful women. They have taught this system to numerous friends with great success, and now they want to teach it to you!

"The authors explain (that by)...keeping it in your pants for longer than normal, women will think you're one of the few men who really takes and don't want to sleep with them. In return, you'll get your brains f---ed out as often as you wish."

**How To Make A Woman Chase You** Salim Khan Anmol, 2016-07-10

- 1 Make A Unique First Impression A good first impression can be the difference when trying to impress someone. While impressing someone may come naturally to you, to make her want to chase you, you would like to make a good first impression and a unique one. The chances are that many people have tried flirting or offering compliments to her in an attempt to entice her and captivate her attention, so try something special that will make you stand out from the crowd and make her remember you. Have a natural attitude and ensure eye contact together with a secure but not too strong hand shaking when introducing yourself.
- 2 Mind Your Appearance When You Are Around Her Make sure you are well groomed and well dressed around her. However, do not go overboard and resort to peacocking. Make it seem like it is the norm with you. A woman loves a man who takes care of his body and appearance. This will intrigue her and make her want to know you even more.
- 3 Show Her Your Mysterious Side Maintain your allure for her to unravel and further stand out from other potential partners in her life. We are not saying start acting shady or be evasive and vague during your conversations. Instead, make yourself some sort of an enigma, someone who isn't easily figured out, to pique her curiosity and keep her wanting to know more. This will drive her to want to get to know you and hopefully pursue a romantic relationship with you.
- 4 Exude Confidence Confidence is key, especially when you are in a position where you want her to woo, court, or chase you. When you meet her, project confidence, emit charm, and be friendly. If you act nervous or insecure, she may not only find it unattractive but also assume that you are not someone who can be taken seriously.
- 5 Hold Back A Little If things have progressed to the point of a relationship, it might be a good idea to hold back a little once in a while to pique her interest. Ask her out occasionally, but don't go overboard with it. Let her also try to mesmerize or seduce you. This also holds true when gifting, texting, or making general contact with her.

Their affair is so steamy he can't seem to keep his mind on the reason he's there. But as the threats against Jane continue, Luke starts feeling a little more protective of her than his role as her security guy and casual lover warrant.
